Bradford Reporter

Towanda, Thursday, May 92, 1873.

EDITORS:

It was believed that the Constitutional Convention of this State would set an example of economy and reform which might safely be followed by our law makers for many years, but the action of that body last week, in fixing the pay of its mem bers at \$2,500.00 each, has shaken the confidence of many. It is argued that so much time has been consumed that the thousand dollars originally agreed upon as the compensation of members is insufficient to pay expenses and remunerate Heavy shipments of wheat members for neglecting their private continues over the Philadelphia and Eric road. business. If the convention had members for neglecting their private -All the western governors are confined itself strictly to the work for which it was chosen, its labors the power to enact special laws, would have been concluded long before this time; but it is a notorious fact that large numbers of the members are habitually absent from their seats,-to such an extent has this evil grown that the convention was A Georgia mule was recently compelled to adjourn for want of a quorum, one day last week.
