get your foot only part way down the leg at the first trial, but that is because your stocking is sweaty, or you havn't started right, and the shoemaker suggests that you start again, and stand up to it, and he throws in a little powder from a pepper-box to aid you. And so you stand up, and pound down your foot, and partly trip yourself up, and your eyes stick out in an unpleasant manner, and every vein in your body appears to be on the point of bursting. ind all the while that dealer stands around and eyes the operation as intently as if the whole affair was perfectly new and novel to him. When your foot has finally struck bottom, there is a faint impression on your mind that you have stepped into an open stove, but he removes it by solemnly observing that he never saw a boot fit quite so good as that. You may suggest that your toe presses too hard against the front, or that some of the bones in the side of the foot are too much smashed, but he new boot, and that the trouble will entirely disappear in a few days. Then you take the old pair under er. You limp down town the next day and smile all the while with your month, while your eyes look as if you were walking over an oyster bed barefoot. When no one is looking you kick against a post or some other obstruction, and show a fondness for stopping and resting against something that will sustain your weight. When you get home at hight you go for those old boots with an eagerness that cannot be describ-ed, and the remarks that you make

NEW BOOTS. It is a little singular how well

pair of boots can be made to fit at

the store. You may not be able to

upon learning that your wife has disosed of them to a widow woman in he suburbs, are calculated to immediately depopulate the earth of women and shoemakers generally. Danbury News. LARGEST HOTEL IN THE WORLD. The fire which two years ago devasted the wealthiest and most magnificient portion of the marvelously enterprising city of Chicago has resplited in a benefit to the great commercial metropolis instead of an inury. With that indomitable energy and perseverance lcharacteristic of the people of Chicago anterior to the conflagration they commenced the work of reconstruction long before

the fire had ceased to smoulder. Now the city lias immedsureably finer structures than it possessed formerly and business has rather increased than diminished. Among the important improvements added to Chicago none is nord stensive and prominent than the Grand Pacific hotel, which will be ready for odeupancy on or before the 1st of June. This house is the largest caravansary stories and covers an argu of 325 by

closets, 2 marble drinking fountains, over six miles of gas pine, 426 chan deliers with 1,518 burners, 880 brack feet of speaking tubes, 38 miles of

carpentering \$320,000 and the entire

building about \$1,200,000. The value

of the ground is \$600,000 and the

cost of the furniture between \$100,-090 and \$500,000. How NOAH READ THE BIBLE IN THE ARK - William Cullen Bryant of the New York Evening Post, is traveling night before getting into bed. The ter in that state. The preacher had dem. But Noah was a good man who read the Bible, and did jus as de Lord tole him. And he tole Noali to build a big ark, big enough to hold part of ebery ting alive on de earth. And Noah built it. And de Lord called on every living ting to come into de lark and be saived. And the birds dame flying' to de ark, and de big lion and de cow and de possum came in, and de horses came trotting to de ark, and de leetle worms came creeping in; but only de wicked sinney wouldn't come in, and dey laughed at Noah and his big ark. And den de rain come down,

but Noah he set comfortably and dry de rain come down in big spouts, hear to racket and roar, and de dog bark and de ox bellow, but Noah keep on reading de Bible. And de The Great Desert of Africa has de key."
