That the road will prove a profitable insubject any attention will for a mo-A new oil well at Greece city ment doubt. Let every citizen of this county, who desires the prosperity of noble old Bradford, put his shoulder to the wheel and help to push this great improvement to completion. The local travel and freight would pay good interest on the capital required, while as a connecting link between the east and west, would be one of the most important roads ever constructed.

GEN. CAMERON AND THE NEWSPA

The editor of the Philadelphi Press and his correspondents never permit an opportunity to misrepresent and malign Senator CAMERON to pass unimproved. Referring to the report recently started by the Press to the effect that Gen. CAMERON WAS endeavoring to procure the removal of Collector Comix, the Lancaster Examiner and Herald says: "The Philadelphia Press and its Washington corsespondent are wonderfully exercised about Gen. CAMERON, so much so that about every fortnight comes a double leaded dispatch that Gen. CAMERON is at Washington de-Ecepted a call to the rectorability of Trinity church, A few weeks ago, according to these Hamilton Alrices was re-nominated, authorities. Gen. STANTON, GEORGE H.

> Government of the United States:
>
> Your assumption that the death of the noble George H. Thomas by apoplexy, and the sudden deaths of Lincoln and other loyal men, are a retribution of the Almighty for the side they took in the late war, could be inspired only by the malignancy born of disappointed ambition, and the spirit which possessed the devil, the founder of Secession Democracy, of a preference to ruling in hell to serving in Heaven.
>
> I am happy in the belief that many thousands of the honest masses in Tennesee, North Carolina, and elsewhere, who were misled and forced into rebellion by just such men as you, Gen. Hill, now repudiate your leadership and loathe your teachings.
>
> If I were disposed to isnitate you, I could give a long list of men in civil and military life, supporting the rebellion, who have come to the monopolists, and their hostility composed of the most enterprising supporting the rebollion, who have come to sudden and, in many cases, dishonorable deaths of acting on the principal that "might

of acting on the principal that "might makes right." The following paragraph from the Rochester (Minn.)

Record is mischievous and calculated to stir up strife, instead of contributing to the common weal of the buting to the common weal of the people:

"The people of Minnesots have accomplished a sweeping and overwhelming: victory over the railway monopolles which have heretofore oppressed them, and with the bowildering suddeness of a dream they find themselves transformed from the slaves of transportation to the before the world, as you would, for when God a sweeping and overwhelming victory over the railway monopolies which have herotolore oppressed them, and with the bowildering suddenness of a dream they find themselves transformed from the slaves of transportation to the masters and dictators of their former insolent.

masters and dictators of their former insolent rulers. The railways have heretofore had their heels on the necks of the people. Presto, change! With a single shifting of the scene the people have their heels on the necks of the managedies. 17 ttack.

I have noticed that you and others, who have
stailed Canby and Thomas since their death,
ever insinuated a charge reflecting upon their never insinuated a charge reflecting upon their personal characters while they were living. To make accusations against a man after his death which you dared not make while he was living, would indicate to unprejudiced minds that you are a falsifier or a coward.

As to myself, I shall go on in the even tenor of my way, and, at the expiration of my term in the Senate two years hence, I expect to revive the Knoxville Whig, for the special benefit of men of your stamp.

I am, &c.

KNOXVILLE, Tenn., May 26, 1873.

In the senate of captives is interested. The total number should be 156.

Just try to fancy a magic lantern vast enough to take in the perspective of a whole city. A turn of the DERHAPS YOU DON'T KNOW scene shows a great red wave of flame sweeping far and wide. Another turn shows a scorched monotony of desolation. Another shows a forest wilderness of material, and an indescribable bustle of industry. And then another turn reveals the most beautiful city on this or any other South-western China, says the most continent. That settles it. Description pauses here, not half done, but content to admit the impossibility of ous forces fell upon their captives and have done these marvels would be smiths Supplies, Bent Stuff, Spokes, color and quality on hand and for sile at massacred 30,000 of them. The Sul- superfluous. The effort to dwarf justice to the subject. Laudation of them, or depreciate their results, would be too absurd to be ridiclous
