we have generally had heretofore, an I am opposed to the formation of Minnequa inobjectionable ticket. It must be county, in common, as I believe, with almost understood the délegates are not to the entire sentiment of Brad ord county, withbe chosen in the interest of candi-dates, which too many have come to this remain or whether this to be extended by shall be the standard-bearers remains for you, thus remain, cr whether it is to be extended by

consider the | case, but the object the kind of legislation that Mr. HERDIC under should be to promote the best inter- stands how to employ, till it reaches the State ests of the whole party, by securing line and takes in about one-third of the territo ry of this county, which is the real plan of Mr. an unbiased expression of the will of the party, having in view first a true

Why has Mr. ANDREWS, in his circular, scen proper to announce me alone, as a candidate regard for principles, and afterwards against him, not even mentioning Maj. DARTY the selection of men who will faithor Mr. Nichols, who are, as he well knows, in fully carry out those principles, and the field and working for a nomination. I de honestly discharge the duties of their not know how this may strike the minds

others; but it does seem to me that the point to be made in this circular by Mr. ANDREWS The republican party of Bradford, is not to nominate himself, but to prevent my county has a proud record, which

as any man in the county. In my judgment

there is no power in existence by which build-

ings can be built at Troy at the expense of the

county, for that purpose. If there is, it should

being a candidate, of if a candidate, to preven my nomination. I liave not made myself a candidate. I have had the honor in part to represent the people of this county for five years. What honor the e is - if any - I have attained, and the amount of the pay is not the Republican party.

enough to induce me to crowd myself as a can didate at this time. But if this question is on in which the people are more interested than any other, then they should send the man whom they believe can best protect their inter ests. If they think I am that man, then I should be me, if not, then there is no reason why I should be a candidate and preferred over others. In fact, I am frank to say that if one man can as well serve the interests of the peo ple upon this question as another, then it would be as well or better that some man like Mr.

ANDREWS, who has resided in the county forty years "and never sought office," should be nominated. I am not one of those that believe any man inexperienced upon a question like this, can resist Mr. HENDIC and his arguments as well as one of experience.

The only reason why Mr. ANDREWS has seen proper to make his contest against me, and permit Messrs. DARTT and NICHOLS to pass unnoticed, I can only account for upon the basis i of the party; provided always, they that it is evident who of all others the Minne

> qua men do not want. JAMES H. WEFE. East Smithfield, July 31, 1873.

[For the REPORTER] LETTERS FROM A TOURIST. North Conway, N. H., June 16, 1873.

Leaving behind us the city of Boston with all its attractions, such as they are, wo start for the Hill Country. There are various routes; ours is by the Boston, Concord & Montreal R. friends among the working men of R., which, following the Merrimae river, takes the party-perhaps a large majority us on through Lowell, the great city of spinination ; but suppose his friends country is slightly rolling, while the poor Mer will be minority, would it be fair and protected will be minority, would it be fair and protected will meanders through the spirit or set no. And its spirit will be minority, would it be fair and protected will meanders through the spirit or set no. And it spirit will be minority, would it be fair and protected and protected will be minority, would it be fair and protected and protected will be minority, would it be fair and protected and protected will be minority, would it be fair and protected and protected will be minority, would it be fair and protected and protected and protected will be minority, would it be fair and protected and such a subdued and peaceful way, that it is hard to tell, from the car windows, which way she property to the Minnequa plan, it is do so with just as much propriety as and get nearer to its sources, it flashes out with all its youthful spirit and rushes and tumble over the stones and among the rocks in a very lively way. Almost immediately after leaving Concord, the traveler in search of the pictury esque begins to find it. You catch glumpses the distant mountains, and in a little time the

road reaches the shores of Lake Winnipesankee As you ride along, every now and then you catch some beautiful glimpse of the waters, nutil you arrive at Weirs, which is the point on the lake where connection is made with the Common English and Higher English......
