The grass is left in a standing position, and so loose that it is claimed it dries readily in favorable having weather, without apreading or strring. The fact that one horse trails in the grass appears to be no objection to the 'Eureka,' because the books lean the grass in the direction the horse is going, and when the machine returns from the opposite direction, the knives run under instead of on to it, and readily cut every spear or blade. The simplicity in its construction, rendering it not liable to get out of repair, the case and rapidity with which it does its work, the facility with which it passes is so batractions, its direct draft, and the equal stabilishy harder New styles Dress Goods BARTLETT'S ADJUSTABLE Has how opened a new Furniture Store on Shawls, Japs, Silks, Percales, Piques and Prints ALL THE NEWEST STYLES.
