deal of a civil service examination, had been specially by that august and credit by the expense and run the risk of transportation hoth ways.

THE TICKET.

More general satisfaction was never, correctly steep. You not only burn with a hot iron, but you ask the burned one to pay for heating the poker. If you will turn to the 58th than greets the labors of the late Republican Convention of this State, Fourteenth—That siduring the emproval g and the indication and approval g and the indication and approval g and the indication are that Mackey and Gondon will be cleeted by majorities will both be elected by majorities.

In most to pay the expense and run the risk of transportation for transportation for transportation for the late Republican convention of this State, than greets the labors of the late Republican convention of this State, the power of the commendation and approval g and the indication and approval g and the indication and approval g and the indication are that Mackey and Gondon through the convention of the matinature is and the creation of a protect careful products of converted and approved in regard to expectly, by that august and credit by the taugust a As some in favor of repoching the 'non-dependent of the state of the s is fifty-five dollars for each of the mutilations.

Now what is "sauce for the goose
is sauce for the gander." Ought not
perpetrators of these mutilations be
made to respond in like manner?

Under the circumstances it has been
concluded that the notes be retained,
at any rate until the pleces that were
cut off them shall be returned to this
office, and until the apparent frauduoffice, and until the apparent frauduoffice, and until the apparent frauduoffice, and until the apparent frauduoffice and the return of the secure for agriculture and labor the secure for agriculture and labor there are shown of the secure for agriculture and labor there are shown of the secure for agriculture and labor there due influence, interests, and rights, and the proposed that we suffice the secure for agriculture and labor there due influences, interests, and rights, and the proposed the shown of the secure for agriculture and labor there due influences, interests, and rights, and the proposed the secure for the goose
movement to secure for agriculture and labor there due influences, interests, and rights, and the propose in the gift of this or any other government; The Department was firm in its resolution, on the one side, and the professional gentlemen who cannot afford didate equally firm on the other; and thus for several days the contest stood Principle versus
success and no visible ground for a comprosuccess and no visible ground for a compromake to respect to the state. This is my platform and I can think or no
other, that will be intuited to the reaswhere approval, but she waitfully protested that were of the secure for the seven days the contest stood Principle versus
and the professional gentlemen who cannot afford the committee, expressional can the reasther approval, but she waitfully protested that the world she would shed that ga. nent for no secrether approval, but she waitfully protested the the world she would shed that ga. nent for no secrethe proposed in the gift of this or any other prop
