the evening, that I was continually

surprising him, but whether pleas-

antly or not I could not tell. As we

had not rehearsed together, and I

was consequently ignorant of the stage business, I had to trust wholly

to my intuitions, and naturally occa-

sioned him considerable perplexity.

"When I came to the cradle song,

which I managed to bring in successfully, Bertram fairly glared at me in

amazement. My nerves were sorely tried, but I poured out my whole

heart in the song, and as I gradually drew near and bent down over Ber-

tram, slowly dropping my hand on his head, I saw the big tears rolling

down his cheeks. Then I knew I

to go through the piece.

had made a hit, and felt encouraged

After the play was over, and I

had gone to my room adivering with

excitement, the callboy rapped at my door, saying, 'Miss Cushman, Mr. Braham wishes to speak with you.' I rose in afright, feeling sure he must

mean to reprove me for my inade-

quate acting. As I went to the door

as I had not enjoyed the advantage

of a rehearsal, it could not be ex-

pected that I should satisfy the de-

mands of the part. But Mr. Bra-

ham met me with extended hand,

WE TWO. We own no houses, no lots, no lands, No dainty viands for us are spread, By sweat of our brows and toil of our hands We earn the pittance that buys our bread. And yet we live in grander state, Sunbeam and I, than the millionaires, Who dine off sliver and golden plate, With liveried lacqueys behind the chairs We have no riches in house and stocks,

No bank book shows our balance to draw. Yot we carry a safe-key that unlocks More treasures than Crosses ever saw. We wear no velvets nor satins fine, We dress in a very homely way, But ah i what luminous lustres shine About Sunbeam's gowns and my hidden gray. When we walk together (we do not ride, We are too poor,) it is very rare We are bowed unto from the other side Of the street but for this we do not care. Ve are not lonely, we pass along.

Sunbeam and I, and you cannot see,

Ve can, what tall and beautiful throngs

Of angels we have for company.

to harp, no dulcemer, no guitar, I framed in words the excuse that, Breaks into music at Sunbeam's touch, But do not think that our evenings are Without their music; there is none such In the concert balls, where the palpitant air In musical billows floats and swims; saying, 'Miss Cushman, I have come to thank you for a genuine gratifica-tion. If you had played Meg Mer-Our lives are as psalms and our foreheads A calm like the peal of beautiful hymns. When cloudy weather obscures our skies, Aud some days darken with drops of rain We have but to look at each other's eyes, And all is balmy and bright again. Ah! ours is the alchemy that transmutes The drugs to clixir—the dross to gold, And so we live on Hesperian fruits,

Sunbdam and I, and never grow old. done my duty in the place where I was put, and I continued two years Never grow old, but we live in peace, longer as walking lady at the Park And love tur fellows and envy none, Theatre, with a salary of twenty dol-And our hearts are glad at the large incre lars a week, and only two-thirds of Of plentiful virtues under the sun; that when the business was poor." And the days pass on with thoughtful tread, And the shadows lengthen toward the west, But the wane of our young years brings no

To break their harvest of quiet rest. Sunbeam's hair will be streaked with gray, And time will furrow my darling's brow, But never can time's hand steal away The tender halo that clasps it now. So we dwell in wonderful opulence, With nothing to hurt us or upbraid, And my life trembles with reverence, And Sunteam's spirit is not afraid.

systamatic of great looseness of management, as well as of want of integ-CHARLOTTE CUSHMAN'S DEBUT AS rity. But in lamenting over them, we sometimes talk as if defalcations Miss Cushman has told a writer in were so numerous that we could Chicago Fost the story of her first ap-pearance in the role of Meg Merrilles, all cashiers and treasurers were unand the reminiscence is even more der a cloud. This is, to say the interesting than the traditions be-least, injudicious. We venture to as-hind the cenes are wont to be. Her sert that the defalcations and frauds assumption of the part happened bear a very small ratio to the trust while she was filling the position of imposed. Our business is transacted walking lady at the old Park Street on trust to an unprecedented degree. Theatre, New York, in the season of There is nothing in the world like 1837-8, and was the result of pure the way in which vast sums of money accident. John Braham, the great pass from hand to hand in this city London tenor, was performing an en- by nods and verbal promises. The gagement at the time, and a series of loans made to brokers by the banks light English operas had been put on mere parole have been during the upon the boards. "Guy Manner past two or three years something ing," which was originally produced stupendous in amount, and yet when as a musical drama, was one of these. the crash came there was just one The greater part of the play was spo- broker, only one, who had failed to ken, but melodies and set pieces were make good his overdraft. Consider-interspersed which called into requi-ing, too, the way directors seem to sition the art of the vocalist. The neglect their duty, the small amount character of Henry Betram was as- of fraud revealed among tellers and in trim for the occasion, and the more careful scrutiny would undoubtsumed by Braham, while Miss Cush- cashiers has been something really man was cast for the humble part of remarkable. Business, doubtless, the young. Gypsy, Marie. As the ought not to be done in this way, business of the play was then ar- but we must say we think the reveranged, it fell to the lot of Marie to lations of the panic have been on the sing the cradle song in the scene whole creditable both to human nawhere Meg recalls herself to the rec- ture in general and the American valection of Bertram by means of the riety of it. We would add, for the one hundred thousand feet dry lumber ballad with which she used to soothe benefit of those rural moralists who lem. Up from the black splash the every tree. This is a kind of soft din arose as they pressed hurriedly sand-stone, unaffected by fire, but him to sleep in his childhood. Act- roll their eyes in horror just now dry and as it was applied in a local point of the countries. THREE HUNDRED AND FIFTY THOUSAND ing upon the supposition that her whenever they speak of a broker or borne out on the supposition that her whenever they speak of a broker or borne out on the supposition water. The whole voice was broken by ago and unequal "speculator," that it would be well to the task, it was her custom to for a good many of them to be able to the task, it was her custom to for a good many of them to be able summon the young Gypsy to revive to say that they had come through the song for her.

One day after rebearsal the leading brokers and speculators have of late lady of the theatre was suddenly been exposed with so little damage. It is that of the task, it was her custom to for a good many of them to be able that of the trees, without scarce. It is turfa. The trees, without scarce of this this turfa. The trees, without scarce. Umbrellas would have by a single exception, lie prostrate, but yet sure he is ignorant as a wild lady of the theatre was suddenly been exposed with so little damage. seized with indisposition In the to morals or reputation. The panic dilemma that arose the manager is not going to regenerate us, but begged Miss Cushman go on and then we do not need regeneration

read the part of Meg Merrilies that nearly so much as some people are evening. Miss Cushman obligingly trying to make out. consented, but with no intention of reading the part. She took the lines DANGER ISLAND.—Far south, in the o her room and had them at her Indian Ocean, (writes a traveller) in ongue's end by nightfall. But to the midst of the almost eternal surf use her own words, as we remember and spray, rises what is appropriatehem: "I had never paid any consid- ly termed Danger Island." Of all the eration to that character," said Miss lonely spots on the globe, whose ex Cushman "It was always my habit istence has been ascertained, this is formances of the others.
