TAMES WOOD, ATTORNEY AND . HAVE COURAGE TO SAY NO! MITH & MONTANYE, ATTO You're starting to-day on life's journey, NETS AT LAW, Office corner of Main an tie Streets, opposits Porter's Drug Store, Alone on the highway of life; You'll meet with a thousand temptations, R T. B. JOHNSON, PHYSICIAN AND Each city with evil is rife. SURGEON, Office over Dr. H. C. Porter Sor Co.'s Drug Store.

This world is a stage of excitement: There's danger wherever you go; But if you are temp'ed in weakness. Have courage, my boy, to say-No! The siren's sweet song may allure you;

Beware of her cumning and art; Whenever you Yee her approaching Be guarded, and haste to depart. The billiard saloons are inviting. Decked out in their tinsel and show; You may be invited to enter; Have courage, my boy, to say-No!

The bright ruby wine may be offered... No matter how tempting it be, From poison that stings like an adder, My boy have the courage to flee. The gambling bells are before you, Their lights, how they glance to and fro; If you should be tempted to enter, Think twice, even thrice, ere you go!

In collrage alone lies your safety, When you the long journey begin, And trust in a Heavenly Father Will keep you unspotted from sin. Temptations will go on increasing, As streams from a rivulet flow, But it you are true to your manhood, Have the courage, my boy, to say-No!

Miscellaneous.

[For THE REPORTER.] A CALIFORNIA INCIDENT.

I. HAZARD STARREY. OVERTON & ELSBREE. ATTORINT'S AT LAW TOWARDA. Pa., having entered into copartnership, offer their professional services to the public. Special attention given to husiness in the Orphan's and Register's Courts. apl 14'70 E. OVERTON. JR. C. KIMBERK. It was in the afternoon of an Autunn day in 186-, that I (an Englishman and a stranger) chtered a drinking saloon in San Francisco, called tor, some lager, lit my pipe, and sat down in an easy chair for a quiet smoke.

It was a famous place for a smoke, a place fit for any one to sit down in, and have a yarn with his friend,-MR. D. T. DODSON, OPERATIVE comfortably; not at all like an Eugoposite Eel-copal Church, Towards, Pa. All den tal operations a speciality,

Jan 14. liquor, but with cushioned chairs and lounges, and comfortable surroundings, so that you might sit and smoke as enjoyably as you would in your I bleeve."

sitting near me, who raised his eyes from the paper he was reading and seemed to regard me with some curiosity. He had a frank, honest expression of countenance, and seemed well disposed towards me, for all that he was rather moody and thoughtful, and looked as though he had seen a great deal of trouble. At last, drawing his chair a little earer and putting his brown hands on his knees, he said :

" Not been here long, ay?" R. D. D. SMITH, Dentist, has purchased G. H. Wood's property, between
Mercur's Block and the Elwell House, where he has
located his office. Teeth extracted without pain by
use of pas. Toward 1, Oct. 20, 1870.—yr. "No," said I, "only a few days." "Ah!' he said, meditatively, "] thought so! 'Frisco is a queer kind of a place for a young hand; now I've took a bit of a fancy to you, and as you ain't much up to things, I de'say

you would n't cut up rough at suthin' useful in the way of advice." I was rather astonished at this, but was quite pleased to make an acquaintance with him, although he was rather rough looking, so I answered that I should be glad of any advice which might prove useful, as

I was strange to the country. "Wal!" said he, "in the first place, if you don't want to get mauled, the and my wife alone, cause of him. best thing you can do is to keep that thar derringer purty close, seein' as this is rayther a rough place, an' some might take 'fence at it.' I followed the direction of his eye, always carried—was in sight, stick-

"If you carry one o' them things, it's all'us best to keep it dark; don't let no one know of it-till it's want and purchased and thoroughly refitted this old and well-known stand, formerly kept by Sherif Griffic, at the mouth of Rummerfield Greek, is ready to give good accommodations and satisfactory treatment to all who may favor him with a call.

Dec. 23 968—tf. ed. Another thing I might tell you, that is, not to show all the dimes you uor; thar's a lot of people roundwhen they see it. Thar was a young. | run against Ben, who was staggerin' ster like you might be, round Frisco once-with his pouch full of dollars, and a derringer-which he did n't know how to handle no more nor a possum. Well! he was laid for by two 'plants'-smart, decent looking fellers, and took into a gamble shop, whar they let him win for a bit,primed him with whisky till he didn't on the trees, on the ground, onenchred him out of his dimes bit by ringer! Three men were striking bit till he was nearly cleaned, when for the house, and before I could he saw one of these yar coons grin, draw bead—a bullet struck the door, and say suthin' laughin' like to his close to my head. I let drive all my pal. Then he see'd what was up, six shots at the men, and got inside and that they'd gone through him the house, and I just got charged proper, so he up and called them a when whack I comes a lump of pine

This House is conducted in strictly Temperance principles. Every effort will be made to make nuests comfortable. Good rooms and the table will always be supplied with the best the market affords.

Nov. 1. 1871. pouched the dimes from the table, front, came in. "Guess you're green; don't know the ropes, Johnny, so I won't take no 'count of your talk-cause you are my shooter into, and I heard a shot! many remote places, and come in no more or that's no knowin', what'll

Wal, no, he weren't come round, I warnt in my shanty, However, within the last week some the fellow. Did he want to attack the shore somewhere, perhaps. Can as Dyner took to his heels, he pres

Reaching the grass, Dayner made for the ledge about the kiln, and this brought him to within fifty yards of where I was standing. I

even to relex it in the lens; but his enormous strength enabled him to life his antognist off the ground as f he had been a child. As he did so they fell, but Dayner downward, and for several moments they were rolling in a huddle heap together, the thin sinewy form of the madman clinging to and entwining the other's bulky frame as a serpent might coil round an elephant. Dayner struggled to his feet again, and in the wild which which followed I saw from the deepening color of his face that those terrible fingers must be tightening their hold. Having, by the aid of a lantern It was a fearful spectacle! Hi her and thither for a few moments more upon that narrow ledge of turf the pointed out the way the man had wo bodies swayed, now going with heavy thud against the wall of chalk on the one side, and then staggering perilously near the sheer down cliff above the kiln on the other. Twice in the parlor when I peeped in and again they fe'l, and twice again Dayner got to his feet. He was now tenring at the madman's beard and hair, and dealing smushing blows with his huge fists at the face of his foe; but the grip evidently never for an instant lossened; it was steadily doing its fatal work upon the victim. All of a sudden the bigman's strength seem to fail him entirely. Once more the two dropped to the and dropped auchor in her beith a think of him again, or make any in- wild beast, would have strangled of the plate of the close that in another in the part of the close that in another in the close that it is the clos of the plateau that in another inme, or thrown me over the cliff! As stant before I could well realize the horror of the event, they had fallen, locked in their deadly embrace with

each other, into the firy depths of the lım-kılı below! An inquest on the unrecognizable charred remains of the two miserable men has brought out the terrible sequel to this tale of brutality and mudness. That afternoop, while the whole village was in commetion at Davner It appeared that the lad to save the daylight on the previous. when as my fisherman friend had suggested, the burly ruffien had taken to a drinking bout. The man and the boy got into Helmstone (that place not being above an hour's sail ff) just at nightfall; but on their way, not hearing anything of Mrs. Dayner, they looked into the little fore-cabin, and, to their dismay, the watch, as they said, "far that found the poor woman bleeding and almost senseless. She faintly told them that her husband had struck her a tremendous blow just before he left his boat on the morning; and they had hardly got her on shore Late in the afternoon the Doctor when she died from its effects.

A dreadful retribution had overaken ber murderer, and I had witnessed it, as also had many others; for besides being attracted to the spot by my shouts and whistlings, some of the natives of Pitsdean had caught sight of the beginning of that chase for life, and of course had followed it up. But, from a strange coincidence, accident, or whatever it may have been, the instrument selected by Fate to deal this act of retributive justice turned out to have the thin film of blue smoke from the the brother of Mrs. Dayner. The erable maniac being none other than taint of madness was in the family, the man, "and she be a poor, sad the whole effect at this time was one had attached her husband, after some high words between them, and nearly strangled him. This was the first early leading to one murder, as the doctor had stated, terminated in the catas rophe I beheld.—I'his accounted for Dayner's behaviour when he first heard of the lunstic being at large, and the abject terror he displayed on seeing him suddenly emerge from the chalk-pit. His nerves, shattered by his dissolute life. doubtless, the recollection of those terrible fingers, which had once "Not since yesterday?" he re- already been at his throat, scared peated moodily, first turning his his wits utterly, and led to his seekblood shot eyes upon me and then ing safety in flight, the one course of toward the spot where she had been all others the most tatal to have lying.
