McUabe, of Troy, and Miss Angie Brace, of Springfield. day afternoon, on monopolies, to the entire The work originally published under the title of THE NEW ANERICAN CTCLOFEDIA. Was completed in 1863, since which time the wide/circulation which it has stained in all parts of the United States, and the signal developments which have taken place in every branch of science, literature and lart, have in-duced the editors and publishers to submit to an exact and theory prision, and to lissue a new edition entitled THE ANTRICAN CTCLOFEDIA. Within the last ten years the progressiof discovery in every department of knowledge, has made a new work of reference an imperative want. The imovement of political affairs has kept pace with the discoveries of science, and their fruitful application to the industrial and useful arts and the convenience and refinement of social life. Great wars and consequent revolutions have occurred, in-volving national changes of peculiar moment. The inequility when the last volume of the old work ap-peared, has happily been ended, and a new conce of commercial and industrial and use you work of commercial and industrial and use of the science. easy terms of paymont.
