A CARD FROM FATHER TONER.-I regret exceedingly that I am obliged to postpone my lecture entitled the "Poets of Ireland," as advertised for this evening in the Cooper Institute. I have, unfortunately, caught a severe cold and hourseness, which render me altogether unfit to keep my engagement for the present. The proposed lecture is therefore postponed until Tuesday evening, May 12, when, in the Cooper Institute, I hope to fulfil my obligation to the public, and do justice to Ireland's glorious history, as embodied in the soul-stirring verse of her world-renowned poets. The tickets already secured will, of course, gain admittance on that occasion.

New York, March 31st, 1874. To THE PUBLIC!—Parties in the vicinity of Wyalusing, dealing in plaster, have only had stone from Cayuga county, for which I had paid but ten cents per ton. Such is not and if said parties do not stop their slanderous reports immediately. I shall proceed by process of law. That I buy and deal in only the best Cayuga Piaster, is evident to all who have dealt with me heretofore, and is plainly proven by the following letter from the men of whom I

have been selling you our best Cayuga Plaster Stone, Respectfully, Yawoza, Firch & Co. It will be seen by this that all reports to the contrary are untrue, and intended to injure my reputation and business. I have a large stock of the best Plaster at my Mills at Rummerfield Creek, and while I thank my tustomers for their patronage heretofore extended, I respectfully solicit a continuance of the same.
