PRIZE.

A : EW GOOD REASONS A New Invention thoroughly Tested and scured by Letters Patent.
-Make as perfect lock stitch, althe on both sides, on all kinds of goods.
-Runs Light, Smooth, Nesteless and Endd-bet combination of qualities.
-Durable-runs for years without repairs.
-Will do aLL varieties of work and Fancy Stitching in a superior manner.
-Is Mest easily Managed by the operator.
Cents of stitch may be altered while running, and the machine can be threaded without passing thread through holes.
-Design simple, ingenious, clegant, forming the stitch without the use of 600 wheel gears, priory pred, which insures uniform length of stitch at any speed. Has our new Thread Controller, which allows casy movement of needle-bar and prevents injury to thread.
-Construction most careful and finished. It is manufactured by the most skillful and experiment. 1 .--- A New Invention thoroughly Tested and
