On Widnesday evening last, the Episcopal Mite Society met at the Bectory, and the parishioners of the popular Rector were ut in force, besides a goodly number of mempers of other congregations. Many people bave an idea that these weekly gatherings are very dull, but we are sure that no one who had the pleasure of meeting the Rector and his wife on the occasion, went away with any but the pleasantest recollections. The collection was a good one, amounting to about twenty dollars. The Society meets again this (Wednesday) evening, at the house of T. C. Dzlano. The invitation is general.
