> Under the provisions of the act to secure the resumption of specie payments which we publish in full today, as it passed the Senate, and as it will substantially become a law. every individual or association can become bankers under the national banking act, without regard to the amount of capital contributed. This is as it should be, for banking, like every other legitimate business, should be opened to all who may wish to engage in it, subject to the restrictions which the government

has found necessary to incorporate whispers a horible suspicion that the "Lafeyatte in the system for the protection of watch," recently; presented to Mr. Occar De Lafayette in the name of our government, is the public. No system of banking not the veritable souvenir given by Washing has ever been used in this country at all comparable to the national banking act, and the main objection urged against it, which will now be removed, was its restriction within certain limits, beyond which banks could not be organized. Under this system there can be no loss to the note holder, so long as the government itself is good for its liabilities, and we have recently seen the unusual spectacle of notes on broken banks selling at a the Listo provide for a commission of inquiry premium of four per cent, above par. conc raing the alcohole liquor traffic, which plassed the Senate last session. notes that were par hear would have - A policeman in Richmond, Va., to be sold at a discount within the bird his club over the head of a colored in-directed who resisted when about to be arrested in the colored with a currency of equal value in every

OUR PHILADELPHIA LETTER.

PHILADELPHIA, Jan. 6, 1874. THE NEW CONSTITUTION. It is a noteworthy fact that within month from the time of the adop tion of the present Constitution of Rutan directing the appointment of hen scarcely a year old. Mr. Rutan's ill passed and the commissioners appointed under the Act have had everal meetings in this city—their last meeting was held during the & Blakeley. hast week in December. I regret that I cannot fully inform your readerwhat this revisory board proposeloing, as the member with whom I conversed, while generally garrulous,

s as reticent upon this subject as a first class statesman. As this revisory board had no hand in making the new constitution they propose showing what a great loss be commonwealth sustained in exciuding them from the constitution convention, by the masterly manner n which they, by their criticism of be instrument, will demonstrate the

dangerous thing the new constitution tion was so bitter that blows were is. Thus far the commissioners have literally done nothing towards giv ing us an amended constitution. and while they generally agree as to how much better the instrument for some position in the House, was would have been had they sided in Mr. IRA SMITH, of Minnequa, who is its construction, yet it now and then a fellow after Maj. Terr's own heart, occurs to them what an unreasonable people do not concur with Senator Rutan that the Constitution should e condemned, or its practical workings impaired until a fair trial has been given it.

THE NATION'S JUBILEE. The New Year opens auspiciously or the Centennial cause The offi cial acceptance by Great Britian of chicken somp and 500 loaves of bread, has given very great satisfaction to desire to have their charity made contingent expenses, remains to be dustriously to make the event a sucgratification and has greatly encour- tion of the lungs. aged them in their labore.
