OUR PHILADELPHIA LETTER. PRILADELPHIA, Feb. 4, 1875.

constitutional reform. The bill was THE REFORMED EPISCOPAL MOVEMENT ... An act to extend the time for the Taking it for granted that ninecompletion of railroads anthorized enths of your readers are openly or that demand intoxicating liquors are to be constructed by railroad corpor ndirectly connected with some Chris ations of this commonwealth under ian denomination, and their taking workers have failed to furnish in in inferest in any new ecclesiastical their stead a drink that is nutritionnovement, has led me to notice, in bis letter, what seems destined to wark an era in religious history. | Baily has fitted up in Puiladelphia s What I do say is of a reliable char-

ictor, and is given as, what I regard, bint mug of coffee and a two-onne mportant information, and without roll is furnished for five cents, just ny preindice or partiality whatever, balf the price of a drink of whisky On the 2d of Dec., 1873, the doc- | the coffee is made fresh every hour rinal tronbles that have been so long and from the best coffee in the mar agitating the Protestant Episcopal ket, and I am happy to say that the burch, colminated in a schism. A first week it was opened seven barrels Bishop of that Church, with some of coff-e grounds were dousted to ight ministers and twenty laymen. | charitable institutions, and the cofrathered on that day in the city of fee re made from these grounds was New York. The object of the meet- the best ever furnished these instituing, as stated in the call, was "to | tions-at least, so writes a clergyman organize and not to discuss," and the connected with one of them. men engaged in the movement seem The Model Coffee-House is intend to have stock to their work, for by ed for working men; and in this the close of the day. a Reformed class are included editors, clergymen.

Episcopal Church had been organbankers, merchauts, manufac urers zed, with Bishop Geo. D. Comminmechanics, carpenters and masons as its Bishop. Charles E. Cheney as a and their apprentices, printers, clerks, draymen, newsboys-every man who Bishop elect, with seven Presbyters. works, either with his head or his perhaps thirty laymen, and two hands-these are all Working men, burch organizations ready to vote hemselves in anion. This bold, and and to all of them the Model Coffeen the estimation of some, wicked House has proved a great blessing, step, created quite an excitement at as bundreds frequeat it who, previms to its establishment, took their he time.

Since then, a little more than beer with the regularity of returning ear has passed, and without noise day. The desire for strong drink ior special effort, this new church is removed by the substitution of someeginning to locate its ministers and thing a thousand times preferable to dot its churches in Canada and and Mr. Baily has proven himself the the States, and even from across the best temperance advocate I have water a respectable body of English ever met. Christians-The Free Church of En

THE PARTY. land-have reached forth fraternal Both parties in this city have comnands, which have been clasped in a pleted their nominations for county. lose union. Episcopal and Liturgiofficers, and I must say that the Re al, and yet strongly Protestant, and publicans have, in their nominations, iberal to a degree that is eminently profited nothing by ther reverses of elculated to concilitate, this chareb last year; and the Democrats, with akes its place among its sister ora degree of liberality not often eavanizations. In addition to the great mbired, have taken no advantage of work, it has, in common with other | their political opponents. The most churches, the ingathering of souls-I can say for the latter is, they have its adherents regard its presence as a elected Alderman "Bill" McMull D by the military at New Orleans, with felt want among the Christian bodies a delegate to the State Convention being "sore heads," and unfriendly about them. If this be true, it will to nominate a Governor. J.W.F. be a success, for whatever is wanted

heir own conrse.

is sought after. Already its ministe-[For the REPORTER] rul and lay ranks are being recruited THE MOMENTOUS QUESTION. from all denominations. There are

those who admire a liturgy, but cannot accept the pretensions of an exngaged the attention of the whole clusive Prelatical Church ; they are country and overshadowed the compelled therefore, to forego their Beecher-trial, is the Louisiana ques tion. While the Democratic party is mrot a trod iw qiderow baa ,eteat On the other hand, there are those boroughly united in desonating the who prefer a moderate Episcopacy, President and Gen. Sheridan for the but desire more freedom in the use military interference at New Orleans. of a liturgy ; rather, however, than the Republican party is divided. Regive up the desired form of church | onblican lawyers like Evarts, and edgovernment, they will submit to itors like Bryant, Curtis, Bowen, and iturgical rigidity. To both of these sowles, have taken sides with the the Reformed Episcopal Church of- Democrate : and it is this division in fers a common ground. An Episco | our councils which affords just cause pal form of government, shorn of all for slarm. That the Democrats oc its objectionable assumptions - , cupy the ground they. do on this liturgy freed from every trace of Ro- question, is not to be wondered atmanism-a formula of worship not the wonder would be if they did not suppressive of extemporaneous; a stand where they do. Their position ministry fraternizing cordially with is the result of erroneous education

can servitor) that they can pursue egislature assembled and the Snea ership was seized upon by the mi nority in an nulawful and turbulent PRACTICAL TEMPERANCE REFORM! manner, and were sostained and pro

A gentleman in this city named tected by armed men, who had gone Joshua L. Baily, has long labored in there by pre-concerted arrangement he cause of temperatice, but without for that very unlawful purpose. Unvail. His experience taught him der such circumstances the majority hat there is, on the part of the genof the legislature called upon the al public, an imperious desire for Governor for assistance, and the timulants, and that in obedience t Governor, having no soldiers of his own, called upon the United States indulged in, because temperative forces to queil the riotons proceed jugs in the State-house, and protect the majority in maintaining their and stimulating, but not intoxicating. rights. The United States forces re-To meet this long-felt want Mr. sponded to his call, and established order without bloodshed, and Mr. uodel Caffee-House, where a half Evarts knows, as/well as we know, that they aid not violate the letter of pirit of the constitution by so doing but if they did, it were better v olate than to have had riot, arnachy and unrder prevail in New Orleans, and the lawful State government over thrown. Mr. Evaris says the legis Isture being in session the Governor had no right to call for military as sistance-that it was the business of the legislature to do so, if necessary The gentleman knows perfectly wel that the legislature was not in session in a legal sense. The members elect were in the State-house, it is true but the Speaker's chair and the con rol of the House had been seized upon by a usarper, and he had sworn

in persons who had no certificates of election and no right to seats The Assembly thus constituted was revo lutionary, disorderly, dangerous, and was no more competent to transact iegal business than a street mob Here is where the editor of Har per's Werkly finds his stambling block. He says that the majori y o he legislature should have organized in some other place and called upor the President for military assistance and thus have avoided the appear ance of evil. But people in sudden emergencies and under great excite ment, do not always think of th most proper thing to be done; and if the only difficulty in the case lies here, we believe the people will justily their proceedings, with all inform alities, just as they justified Gen. Jack son in saving New-Orleans from the British by proclaiming martial law There is a disposition in some quarters of charging the Republicaus who think a great wrong was done to the Administration. It is neither ust or polite to make such charges Republicana abouid exercise more

charity and brotherly love towards each other than they have been in the The question which for weeks has babit of doing, and remember that proscription and denunciation never healed any divisions in churches or politics, and will not be likely to as sist as now, or strengthen our party for the struggle of 1876. Having es tablished the supremacy, of the na tional government, by a bloody war ; having secured the equal rights of all citizens before the law, the question for Republicans to decide, is whether they will abandon the ground on which they conquered, and surrender to the heresy of State Sover eignty; whether they will abaudor he colored citizens, who stood by them in the day of battle, to the tender mercies of the White Leagues. and permit our soldiers to look ou as their brethren of other names; in a in the science of civil government. friends of our government in its sorest trial, are slaughtered by the
