"Para-dites "killing them, and the encouraging problem of our schemide State Entomologist, "Port Riley, seems to be entirely at mult, excepting his state-ment of the Kind of regetables they were more fond of, Begariless of the offensive breath they devour onless in preference to anything dise. Should I tell one-half I have seen, or one-tent I have been told trem the most reliable sources. I know you would consider right early exaggerated. The destruction they have hirredy done to come.

model if it gratity exaggerated. The distriction they have idreddy done is caus-eggreat distress. The "Chinch bugs," and routh have injured the crops is this portion of the out for the past two years, left our farmers in drown have injured the crois in this portion of Misseni for the past two years, left our farmers in do not all discourged, and they pere fully prepared to meet the sad calanity now might them, which is it modult leave many help to for weither-dofarm-ers subjects of chartity, our flower nor is doing aff he can to rach any cassis of destination now existing, and wisely set apart the 3d of June as a day of fast-ing and project, to invoke feedba assistance to re-meve the plague. The flower nor is proclamation has new with many unkind criticisms by the press in different pations of the states is the same time the people who helder in field's power and the vis-dom of prayer, will respect the. Hardin a thousand times more than those fournals that ridicule and scoff at his appointing a day of supplication and nearly to remove this terrible sconged. To give you a description of the numbers we have right in Holden, one of our inliner (Mr. Reed) of-fered a young man fifty cents a buchet to selve what access he would have in feeding them to his hogs. India growth of bide gives. The young man drog a hole two or three feed dep in a corner, and took a breas and drove the hoper's into the corner, they would group here the look, and could not get out. In a short time he got 3j busies, put them into lags, and got his is triller. You may ask apy fariner how none is think there are to the the proper but the hole, and could not get out. In a short time he got 3j busies, put them into bags, and got his is thillings. You may ask apy fariner how none yie think there are to the its it would not be an exager athout to syst there is this it would not be an exager athout to syst there is this it would not be an exager athout on syst there. ecutive, who sincerely public duties.

c, and the lowest estimate you will hear will be busheds, some getting as high as forty bushels, lick it would not be an exaggration to say there four bushels to the arrest this would make over illion hushels in the county. Should they in-ase in proportion to the number of eggs you find oslited by each one, there will be enough to de-tate one-halt of the States in the Union. Our rithy Entamologist in his report epresses the alon that when they get old enough to fly they i go back to the Rocky Mountaines. With all due sect for his opinion, 1 do not believe he knows thing about where they will go? It has been clusively tested that their eggs will stand the destreme winters we have in Missourie-the rener showing its? below zero hast whiter, and withey were hatched onit we had a frost that believe a quarter of an high thick , after the sun up an hour they were jumping around as lively perance effort appears barren of result, with proper and systematic labor new Lodges can be organized, old ones rovived, and our Order be måde an instrumentality for great good. I trust our G. W. C., Bro. B. S. Dartt, will, during the course of the session, give us a statement of the means adopted by our members here to bring about the very gratifying results referred to, and that these same means

nof \$100,000 each, or had done so, to offer bonn-es of fity cents per busile! (which would weigh much as a wolf and do ten times the damage), think it would be the best investment they could ssibly make. That they will plaudoi a country bars have on our blocks. THERE are suspicious and captions people who think that the President here they can get plenty to dat secons perfectly dicatons, or that they will heave for the Monutains hen they get far enough advanced to fly and de-sht their eggs. I think they will be just as likely or East as any other directifue, and should the did not go far enough in his letter on the third term. and that it did not go East as any other direction, and should the ind blow cast, west, north or south when they are ying, it will bear them in that direction-they must fly against the wind; and as there are some really mean what it seemed to say. To all such we commend the following report of a conversation held

at are just beginning to fly and others that are at hatehed out, I fear they will be scattered in ery direction. Should they ever get(into the clo-r fields in the East I know the Rocky Mountains with heave above for the Rocky Mountains with the President recently, as telewould have no charms for them, as they like clover better than anything else, unless it is onions. They much here last fall too late to do much damage exgraphed to the St. Louis Globe

WASHINGTON, D. C., May 31. - The epting to lay their eggs, and ho one felt alarmed bout their depredations in the spring, thinking hey would not stay or live long enough to do mis-hlef; but the wisest heads, including our scientific President to-day received numerous telegrams from personal friends and public hey would not stay or five long choog a to do min hier, but the wisest heads, including our Scientifi tate Entamologist, seem to have known very littl bout what they would do. Prof. Riley, no doubt, is pretty, well postod i bigology, and has been faithful to the great true he State has confided to him; still: I do not thin be source has been for how the source to have men congratulating him upon his third-term letter. He has expressed himself very freely regarding the matter, and says he feels greatly relieved now that the matter has been disposed of. "No one s report has been of any benefit in regard to rs. The Prof. has been making experimen ove that they would make substantial fool. M shoulders," he said, and added, "friends and foes have alike been troubled by this rove that they would make some the made to a Warrensburg, our county seat, he made to not soup, then a course of firsted, finishing with the source of the source of the seat of the say In watch, then a course of firled, finishing with a pudding for desert.' Some who ate them say they are very palatable, and equal to oysters. Prof. Cole's wife was in our place (she was one who en-fored the feast), and said she could not say that they did not take well and she rather liked them. more stringent than ever before half as much as I have. The number of letters sent to me, anonymous and other-wise, offering all sorts of advice in the to subsist on them. To day some are foun wings, and those who have advanced the ide

ocratic eye is turned f the tickets for State officers, so he uckily flopped right over the the Re-iblican camp at Lanoaster, and did his vel best to make State Senator, Butler or "Third Term" for the it be? The Herald must suggest i Says President Grant am arc B. Strang his candidato for State Treashave I ever been, a candidate for re ination. I would not accept a re-n tion if it were tendered, unless it should come under such circumstances as to make it an imperative duty-circumstan

Here we have an emphatic denial any intentions on the part of the President to ask for or even accept a nomination for a third time that ought to be and is sufficient to settle all doubts upon that question, and now the Democracy can

afford to let that subject drop. The Lancaster Convention declared its "adherence to the unwritten law of the Republic, which wisely and under the sanction of the most venerable of examples limits the Presidential service of any Curtin, except lie goes further in culogy of citizen to two terms." But this was not Hartranft, whom he now regards as having bullying, brow-beating insult flung at the President; if it had been it would have made a "creditable record, and with no upon his administration comes beshared the fate of all the Democratic ut fore the people again, remembered as a gallaut soldier and appreciated as an Exterances upon the same subject-been passed by without a word of comment desired to do honor from the President as beneath his notice. to the Commonwealth by fidelity to his

Now the Democrats who have charged that the President was intriguing for a "Third Term," can see how foolish they have been. All of their assertions in re-My own belief is, that McChure would become as sound a Republican as Grant himself if U.S.G. would only invite him to step from his editorial sanctum to the gard to the President's aspirations are more lucrative post of looking after the "Injuns," in place of Delano. With Me-Clure Secretary of the Interior, I do not have met with a deserved rebuke. But hesitate to say, from a long and close as-sociation with him, that he would run the *political* department of his office in with rebels to the Union and traitors to the interest of Hartranft and Rawle, prothe Constitution.

LETTER FROM VIRGINIA. NATIONAL MILITARY HOME

HAMPTON, Va., June 1, 1875.

Commandant of our Home, formed all the mates "who were able to walk___ 150 in number-into line and we marched to the National Cemetery ; all who wished to go and were not able to walk, were permitted to ride. We there met Farragut Post, G. A. R., of Portsmouth, and most of the officers of the Department Encamp ment. After prayer by the Rev. Owen S

prove that we are lenient forgiving, magnanimous; but must not be used to convict us of indifference to the great principles of our party or for-

OUR PHILADELPHIA LETTER. PHILIDELPHIA, June 3 тие тнию тёвм.

President Grant's letter to Gen. White, stating that he is not now, or never has been, a candidate for a third term of the Presidency, was received with genuine Hicks, of Portsmouth, an ode was sung

elings of gratification by the rank and by a choir of ladies, after which the afore file of the Republican party in this city. said minister proceeded to read an address With Gen. Grant now but of the way. which was certainly not lacking erudition. with his successor to be nominated within though perhaps it might have been more year from now, and with the nomination riate. For instance : History refor State Executive well off their hands, peats itself; if you don't believe it, see the boys are casting about for an available Buckle. The war was the result of th candidate for Centennial President. intrigues of an ambitious adventurer(?)-

For a number of years it has been the it was but a part of the great march of practice of the field officers of the party in civilization, therefore it was foreordained this city, of the Republican persuasion, to by God ; consequently, it don't make any consult with Gen. Cameron upon all imdifference on which side a man shouldered portant questions of a political character his musket! This from the lips of a before taking decisive action; hence, when Northern Methodist preacher somewhat the Senator was with us a few days ago, surprised me, and I leave it for the cogi-tations of "Castelar." After the address he was asked who he believed the man the occasion to lie. He replied: another ode was sung ; both being origi Charles Francis Adams, of Massachusetts nal and in manuscript, of course I cannot the greatest statesman of our nation, will, forward copies. We then proceeded to decwithout doubt, become the stardard bearorate the graves of our deceased comrade: er of the Republican party in its contest for Centennial President, just as the Thos. E. Weager Post, G. A. R., com posed wholly of inmates of this Home. (catest soldier of our country was made which I am a member, were entrusted its candidate in 1868. with the flowers, while all other inmates

were deployed to assist in the work. We freely expressed, I may add that Judge then placed a flower on each grave, as far as Kelley, Mayor Stokley, and other magnates of the party heartily concur. malice towards none," we dropped the RAILROAD AFFAIRS. flower in kindness on each grave; after President Garrett, in his aggressive warfare upon the Pennsylvania Railroad which we formed in line and marched back to our Home.
