The whole lecture was the most complete exposure of the secrets which surround the Catholic Church, and was interrupted by great ap-plause. He had been offered \$10,000 by one priest to return to the Church, and another agreed to settle the charges against him in twenty-four hours on the same conditions. Were itor of the Commonwealth could have it not for immigration the Catholic seen some of the Democratic candihurch here would sink into insig-

nificance. In a generation the Church loses seventy-five per cent. of girls. There was great excitement, but no fighting.

THE Harrisburg Telegraph truth-

of the State and nation are mainly attriutable to the rebellion precipi-tated upon the country by the Demo-cratic party in the interest of the cratic party in the interest of the to-day. Keep that in mind when pay-ing your taxes. The national debt is the direct product of Southern

ment in providing temporary service stay of the President at Long Branch, after their failure to fulfil the conduring the heated term. ing your taxes. The national ueod is the direct product of Southern Democratic treason and Northern Democratic weakness. It THE Democratic papers are con-tructiv tounting us in regard to the while in many instances those who went forth to do battle for the nation in its direst necessity are quietly passed by, or There is doubtless too much truth in gether with the Heads of the Departments. now and then met the amiable old in part, would be to select men for Congress who, in the distribution of the pat-ronage at their disposal, recognize the they do those of others, and at the same they do those of others, and at the same time are not governed by influences which might be considered as being of rather a doubtful character. The moral status, or it might be said, the *individuality* of the average Congressman at Washington often proves in many respects to be wide-ly different from that of the average Con-gressman at home. It may not be sup-posed to proceed from any want of patri-otism, but rather from the possession of too great an amount of susceptibility-

The contest over the Speakership of the

The contest over the Speakership of the next Congress appears to be getting lively, and would seem to be narrowed down to Randall of Pennsylvania and Kerr of In-diana. If, as the friends of Mr. Randall are asserting, he has already a hundred votes pledged to him, 'it' would indicate that the Hon. "Fernandy Wud" and the other competitors are losing ground, and that Mr. Randall will be elected in spite of all the combinations that may be brought to bear against him. Should the
