save my ilollar."

REGARDLESS OF DENUNCIATION FROM ANY QUARTER

TOWANDA, BRADFORD COUNTY, PA., THURSDAY MORNING, MARCH 16, 1876.

\$2 per Annum in Advance.

A DEED AND A WORD A little spring had lost its way Amid the grass and fern; A passing stranger scooped a well, Where weary men might turn; He walled it in, and hung with care A ladle at the brink;

He thought not of the deed he did," But judged that toll might drink. He rassed again, and lo! the well, I'y summer never dried, Has cooled ten thousand parched tongues And saved a life beside. A nameless man amid a crowd That thronged the daily mart,

Selected Poetry.

Unstudied from the heart; A whisper on the tumult thrown, A transitory breath; It raised a brother from the dust, It saved a soul from death.

O germ! O fount! O word of love O thought at random cast ! Ye were but little at the first, But mighty at the last!

(For the Reporter.) THE STORY OF A RAIN DROP.

As I looked out of my east win dow one morning, I saw the branches | bright and happy promise. He had of my lilac bushes dripping with rain drops. The drops formed slowly amid the fog of the morning, hang- best, and his home was an earthly ing in rows under the twigs, clear paradise. and tremulous, until their increased size and the gentle breeze shook them to the ground. And as the drops upon the lilae bushes formed and glistened, they began to tell me that she could not see a fault.

A few of Arthur's friends feared the story of their life. danger, and one of them, more boldly "We are small as you see, but our than the rest, spoke to him warningnumbers cannot be counted: we are shining this morning upon a thously, but kindly; but he turned away and bushes and trees, wherever the from the warning with a sneer of declouds of last night dropped their The months and the years went on gifts, on roof, window-pane or branch. here we wait and glisten for a moment, and then hasten on our mission. We sail in the highest clouds. We drift in the fogs that lie along things of life can give blessing. In the valley. NUMBER 39.

ed that she must have \$500 at once; he cross was worth \$1,200. Of course the man of loans demurred, aggling for the greatest advantage; then, finally giving her \$350, she hurried away with haughty tread, but in nervous haste, little dreaming who had seen her. That same evening at a brilliant party my friend met that he could recommend to work in has its representative entered here in her. In her ears costly diamonds his store. At first the gentleman the race for gold, and every situation gleamed; from her bracelets they glittered again, and when the gloves poor, and he had no education or mad pursuit of wealth never halts, "Where is that magnificent cross I other advantages to fit him for such and the burning desire to spend it have so often seen " Not a quiver a position. But the discription of when once it is secured knows no of an eye-lid or a deeper flush on the the boy's habits pleased the merchant cessation. There are men here with cheek betrayed the lady as she quickly replied, "Oh I broke it last week. and, not liking to have it repaired here I sent it to New York. I was vexed enough that it was not return-

A DIAMOND OROSS IN PAWN.

A Washington correspondent of

the Boston Transcript writes: A

pawnbroker being indebted to a gen-tleman, and the debt remaining unpaid for some time, went personally to collect his due. Seated in the

dingy couting-room, he could, unseen, survey the front of the store. A

lady entered whom he at once recognized. She was married and stood

high in social rank. Refusing to name her errand to the clerk, the

principal was summoned; then un-

lasping a flashing cross, she explain-

in time for this party."
And that lady rides in her carriage, queens it over a splendid home, has a husband who idolizes her, and children on whose pure hearts it is hers to write the lessons of life. How little we know of the secret heartaches whose anguish is resolutely hidden; of the dreadful misery which tortures the quiet hours of thoss we

PROPER EXERCISE.

When we talk about exercise, we are very ant to forget that it is a referred only to the movement of the muscles. It is necessary to health quite different faculties. All our pow-

nizing in the deposits which they ter of habit. So is affection, self-

If our occupation is sedentary, we need to plan for walks and rides, and active games, to keep our muscles lithe and serviceable. But if our employment gives us enough muscular action, it is not one whit less important to: our health of body that we should plan for mental exercise-for imployment enough of our memory and our reasoning powers to keep strength, yet if one of them receives them from rusting. And, in either a serious injury it is nearly always base, that life must be a dwarfed and necessary to amputate in order to unhealthy one that does not provide give him the most distant chance of exercise for our spiritual facultieslife. The draymen have the unlimit- for worship and charity and patience Sir Astly Cooper was once called to mind and body, can alone bring us to
