ness of their sins, especially of their heinous sin toward, Christ; St. Peter points to follow faith and repentance, which are themselves gifts of the Holy Ghost. - It does not therefore mean that they should receive renewing and saving grace. Some limit it to participation in the miraculous endowments just imparted to the disciples, but it is not probable that all the 3,000 believers received the gift of tongues and miragles. It is manifestly the gift of inward, spiritual power that is promised; the main and permanent part of the gift even to the Apostles themselves. it included an immediate sense of reconwhich, with crochet-stitches and thick illation and liberty with God, of sonship cotton, young ladies not long and ad salvation; and also an endowment of www.aud energy to bear all things and boldly decorate, more splendid in to do all things. The other words, it was a promise bit the senting gift of the Holy Unest. Cice Roms S:15; Ephes, 1:13-14, sea- bottom that it suggests to us but and 4:00). This gift of the Spirit is the grand characteristic of the New Disp.nsation as opposed to the comparative darkess, bondage and distance of the Old And it could be secured by them because it is promised to all nations and ages during the gospel dispensation: v. 39, (Compare Joel 2:28 with Acis 2:17) It therefore included them their sous and daughters the Gentiles whom they regarded as afar off from God, and all whom God We admire, but shudder at the sugshould call among the nations of earth and during the generations of the last days. So it is plain that we in this day can have this gift. It is not exhausted;
