BRADFORD COUNTY AGRICULTURAL SOCIETY.

Annual Exhibition to be held at Towanda, Pa., Wednesday, Thursday, and Friday, September 27, 28, and 29, 1876.

TO EXHIBITORS.

The books of entry will be opened on and after the seventh day of September, at the office of the Secretary in Towanda, and exhibitors are particularly requested to notice that the Entry Books will be closed on Tuesday, the 26th day of September, and that entries must be made before that date—*the earlier the better.* This regulation is intended to insure better accommodations and arrangements, and by preventing delay and confusion at the opening of the Fair, to enable Judges to make examinations and award premiums on the first day. Exhibitors will thus derive the full benefits of the awards made to them.

Exhibitors can enter goods without extra charges upon the purchase of a membership ticket, but no article shall be entered for more than one premium except upon payment of one dollar for each additional entry. These regulations apply to all entries except when test of speed is required, in which ten per cent. of the whole premium will be charged.

All persons who intend to exhibit horses, cattle, sheep or swine, should have them entered upon the Secretary's books as far as possible, at least a week before the Fair.

Exhibitors will receive a card for each article entered, designating the class and number of the entry, which must be attached to the article.

No animal without a card attached can be in the stalls without the consent of the committee in charge of that department; nor can the Society assure any exhibitor, who neglects this requirement, that they will be passed upon by the Judges. In justice to those who comply with the rules of the Society, they shall in all cases first receive attention.

Articles or animals removed from the grounds before the close of the exhibition, except by permission of the committee in charge, cannot receive a premium, though awarded.

RULES AND REGULATIONS.

1. No premium will be awarded on any article or animal in the absence of competition, unless the Judges deem it meritorious.

2. Articles or animals entered for exhibition must be on the grounds by noon of the first day of the Fair, or they will not receive a premium, even though awarded.

3. Articles or animals entered for exhibition will not be allowed to be removed from the Fair Grounds, except by permission of the committee in charge.

4. No premium will be awarded on any article or animal unless the entry card is attached.

5. Cake, melon confectionary or other stands or wagons, and shows or exhibitions may be admitted to the Fair Grounds by application to the President and paying a reasonable compensation for the same. None of the above will be allowed outside of the enclosure near the grounds.

6. No spirituous liquors shall be sold, nor shall gambling be allowed on the ground during the days of the Fair.

7. A strong and efficient police will be on the grounds day and night during the Fair.

8. The Society will carefully preserve all articles while on exhibition, but they will not be responsible for anything that may occur.

9. Good stalls, bedding, and an abundance of good feed for animals on exhibition, will be furnished by the society, free of charge.

10. All animals entered in Class —— must be exhibited at their posts beside the track at the hours named (of which due notice will be given), or they will not be examined by the Judges.

11. All premiums not called for by the first of January next will be forfeited to the Society.
