OUR WASHINGTON LETTER. Dana Criticising Fraud. He is Pamiliar with Cor-

* WASHINGTON, D.C., Aug. 11, 1876.

A Mass Meeting of the Republi- als and the national prosperity de- with the silent contempt it deserves. From a source so sodden in baseness that he frankly acknowledged after having been mand that this promise be fulfilled to specie payments." The platform to his education) he has gone in for money on the rule that the end would at St. Louis, endeavors to retain the justify the means. And right well has demanding the repeal of this act; from a controlling interest in his paper, and the Democratic majority in the and other estates, be has gathered around and out of Congress, and it is evi- or party, and refer craven petitioners for promise and a plank in its platform; ped of its power to harm. "The old the latter juggle and show their in- rule, the true rule," says Gov. Hayes, fice, and that there is no other claim, gave Should Democratic success place the York under Gov. Tilden, to use the lanoffice holders have been steadily increased service like a leprosy."

body politic. But this is not the on- to have and that is essential to busi- cd with public funds; one of Tilden's del egates in St. Louis has also disappeared o the tune of \$60,000 more! And, to come still nearer home, one of our own officials, appointed to appease the Confederate House, shouting reform, has just died upon this issue. The figures there (financially) for a respectable figure. It given show a decrease of \$20.073.100 is too apparent then for Dana to attempt mything like the following: "Here we have a bold proposition that the 80,000 office holders of the United States shall indicate a total importation not much be converted into a permanent aristocraabove \$500,000,000 in the fiscal year cy, holding their places for life! How ong would it be before this tenure for life would be converted into a hereditary right." We will answer this man who in the Executive departments in 1865.

\$100,000,000 foreign debt during this arises against him. The claim is liable value, if any good cause of complaint; period of inactivity and trouble, by to disintegration from a score of causes. increased exports of cotton goods, and lucky is the man who can muster up of leather and of other articles. ders the country, as a safe criterion for

approval as its offices are learned are trecless, the river bottoms are timbered, as well as its mountain sides, even up to the limit of perpetual snow. The soil the opportunities of the hour as well, is rich and well adapted to cereals and nutritious; the climate unusually healthy; the air pure and bracing, and the very best for those afflicted with brouchial difficulties, while owing to the dryness of . The changes of temperature are neither rising above 80- or falling below 20 | Pali-

culturist.

Mr. Loitor: I wish to express my con victions,- which are expressive of the sentiments also of the masses of the Republican party of this county, -as to our didates for the county offices. Our party has a duty in the premises; which has reespecially this fall, to the interests of the national ticket. While it may be assuined to be morally certain that the State will vote for Hayes, yet in many cases of moral cortainty the bane of an inactive or 3.
