preserve order.
SEC. 4. That when the two Houses separate to decide upon an objection that may have been made to the country and tington making a scholarly and touching address on the occasion.

LETTERS FROM OUR CORRESPONDENTS AN EDITOR INTIMIDATED.

Many readers of Harper's Weekly for the last few weeks, have no doubt been surprised and pained to see that the editor, usually so clear headed and logical in his reasonings, has become fuddled and confused on the subject of counting the electoral votes for President and Vicemen stagger under the weight of their imaginary burden until they become ner yous, and when a great danger approach es, are for the time being, totally unfitted for the position. This was the case with Mr. Greeley at one time during the rebellion. The rebel emissaries in by telling him that the South was anxious ceedings, and shall have power to employ cause them to force their rulers to make such persons as may be necessary for the transaction of its business and the execu-

only man they knew of in the North who had influence enough with the people to open negotiations, and that their only object was to divide the Republican party and distract the government from a vig-The following from the New York orous prosecution of the war. Their succorrespondence of the Philadelphia cess was not so great as they had boped ley always regretted that he was so easily imposed upon. The emissaries of Mr. "Business men are talking very Tilden may have approached Mr. Curtis promised, or there surely will be war-Republican politicians, and force them to say here that the reasons which they den knows that his only chance of suc-Sec. 2.
