for the geological survey of the state. Of the remaining bills all were local in their character.

FUN, FACT AND FACETIE.

HERE is a delicious little rain song, as nusical as the rain itself. We no not

who who wrote it : Millions of massive rain drops Have fallen all around ; They have danced on the house-tops,

They've hidden in the ground. They were liquid-like musicians, With anything for keys; Beating tunes upon the windows.

Keeping time upon the trees. IT is the result of practical, every day

sperience that steady attention to matters of detail, lies at the root of human rogress, and that diligence, above all, is the mother of good luck.

WHEN a young man encircles his partner's waist for a dance, he will do wisely to keep his fingers still Nothing aggravates a young lady more than to imagine you are trying to count the whale-bones in her dress.

WHY is a law suit like a wood saw? Because whichever way it goes down comes the dust.

THAT can never be reasoned down which was not reasoned up.

A NEWARK husband who, when ho courted his wife, was constantly sighing for the "Sweet bye-and-bye," doesn't tained. He complains that it has been buy and buy until he is about disgusted.

CHURCH IN HIGH. STYLE.-Ritualistic Hostess: "Are you going to church with us this evening, Major?" The Major: "Thanks, no! I was at the morning performance "-Punch.

LIKE the generality of kings and conuerors, Frederick the Great had a most philosophic indifference to death-in others. In one of his battles, a battalion of veterans having taken to their heels, he galloped after them, bawling out :--Why do you run away, you old black-
