My noxt step was to discover some means by which I could combine this wonderful substance so that everybody could use it. I made diligent search through every book that I thought would throw any light upon the subject, and at last, in a very old medical book, I found a way by which I could do it. The result was perfectly satisfactory, and I was able to make a kinstnent, the like the world has never seen before. I now began to look about me for cases to try the effect of 1: on others,

I had a neighbor living about a mile from my shop who had a lame knee, caused by the cords being contracted by rheumatism. I sent him a bottle of ELECTRO SILICON LINIMENT, and told him to use it thoroughly. He did so, and at the end of three months he was able to throw aside his cane and walk to my shop apparently as well as ever.
