t Washington, yestorday received the following telegram from the Governor of that State:

EXECUTIVE OFFICE SALEM, June 21.

Sin.:-Ask the Secretary of War to instruct the commander of the Millary Department of Comm-bla to supply citizens of Oregon In the riduity of Indian hostilities with arms and ampholition from or. The clinens of Maila Waila are in of a the clinens of Maila waila are in of a thek, and have applied to me for am-ion. The State has nume. S. F. CHADWICK.

The Secretary of War, in view of General Howard to answer the requisition of the Governor to the full extent of the law, which allows 500 stand of arm's to the citizens.

THE SCENE OF THE FIRST MASSACRE. A dispatch from Boise City to San Francisco says: "By an arrival here last night (Thursday) the previous eports of the Indian outbreak near almon are substantially confirmed. The scene of the first massacre on the Salmon river and tributaries of that stream coming in from the northern side, draining Camas Prairie and neighboring mountain settlements called Gamas Prairie covers the foot

of the hills to the north of Florence Mountain and the breaking down of the table-land called Craig's Mountain. Mountain Idaho is about the centre of the range of settlements on the Camas Prairie, situated at the foot of Florence Mountain, sixty-five miles from Lewiston. Idaho settlements on Salmon river and its tribu taries he to the south and southwest

To the hundreds of deserving of Mount Idahe, at a distance varying from fifteen to thirty miles. The Indians did not kill women and children, but allowed them to be taken under escort of friendly squaws to State Creek, which had thus far been the whites have fortified themselves in a stockade fort, in which has been

received the wives and children of murdered men, together with the families of the men who had escaped massacre. Gathered in this place are the following persons:' Mrs. Henry Elfers and two children, hus--band murdered at John Day's Creek ; Mr. Sherwood, wife, and grown daughter; Hiram Tilman, wife, and several children; Mr. William Oswas murdered at Harry Mason's, on Salmon river; a sister of Harry Ma-

son, Harry was murdered in his penalty imposed by the collector of home; Mrs. H. C. Brown, whose hus trol. band was murdered at his store on Salmon river; Mrs. J. J. Manuel and two children, the husband was siderable interest, whether the nation wounded at White Bird Post Office :

destruction of provisions of all kinds seems to point to famine, and relief

must come in speedily or many must peristi from want. Few saved even St. John is a sceport town and county seat of St. John county, the mouth of the St. John river. [14 population is about 30,000.

FIVE HUNDRED ACRES DEVASTATED 'THIRTY DEAD BODIES FOUND.

Fuller accounts of the great fire in St. John, N. B., confirm the first reports of the extent of the disaster. All the public buildings, nearly all ion the Danube. The Turkish gunthe stores, and half the dwellings are boats took an active part. consumed, and 15,000 of the inhabitants are homeless and destitute. The loss is estimated at ten to twelve millions. A list of ten persons who

the above request, has instructed perished is given. A telegram re esterday afternoon, after devastat-

ing an area of 500 acres, and that 30 bodies had been found. Provisions and clothing for the sufferers have been forwarded from Montreal. Halifax, Portland and Bangor, and relief subscriptions have been started n those cities, and in Chicago. After the Chicago fire, St. John contributed \$19,000 in gold for the suf-

feters in that city. ST JOHN, June 25 .- The parties at he hospital injured at the fire are doing well. Those still missing are T. O'Leary, Mr Coughlin, a women and child of Smith street, and Miss Vance. The aggregate contribution for the sufferers is \$200,000, besides provisions and clothing. The total loss is estimated as nearly as possi ble at \$15,000,000 to 20,000,000. The total amount of insurance is about \$7,000,000.

GREAT FIRE AT MARBLEHEAD.

Boston, June 25 .- A fire at Marblehead this forenoon swept away nearly the entire business portion of the city. It began in a stable of the Marblehead Hotel, and is believed to have been incendiary. The flames spread with alarming rapidity. All

he large shoe manufactories but three were burned. These were mostly large wooden buildings filled with machinery and employing, hundreds of men. The Eastern Railroad denot and a large number of cars were burned. Over forty dwelling houses were burned, the occupants saving but little, some families flecing with borne and five children ; the husband only the clothes they had on. Sevcuty-two buildings in all were consumed. It is impossible to estimate the loss. The fire is now under con-

The fire commenced at two o'clock this morning and stopped at 6:30 this afternoon. John F. Woodfin, a fireman, was fatally injured. At 4 o'clock loses its right to recover sums that John Woods; Charles Ford's wife this morning to look from the site and four children; Mr. Cohen, wife, of the General Glover engine house, and several children. These women a clear view, obstructed only by standing chimneys, was had of near are thus shut up in the midst of hosin 1801, Meredith resigned his posi-tion against the wishes of the new President.
