BILICON UPON THE HUMAN SYSTEM, one in the Central or Eastern. The first SILICON UPON THE HUMAN SYSTEM, I had a detect in three of my fingers, which were bent or shut bp in my hand in such a manner by the contraction of the cords, that they were very troublesome to the in my daily avocation. I could not handle my tools as 1 wished, and often bought that I would have them cut of to get them out of my way. I had used everything that thered any hope of relief, but all to no effoct. Well, Essy, I was working with Electro Bill con at the forge, and of eourse could not percent its coming in con-tact with my hands. I took no notice of the effect it had produced, until one day wishing to me a heavy hammer. I grasped it with my crouked hand, and much to my surprise I found my crooked fungers straighten out, and I had as much use of them as ever. I could hardly believe my oyss. I showed my hand to my wile and family, and a general rejoicing was the result. Wholesale and Retail dealers in all kinds of or cash only, and the price list will be cor twelve.
