WHEN TO MAKE PORK .--- Don't forthe Pagans there had been a compromise. get that warm weather is the time to The result was an amalgamation of Pa. Mohammed what many writers have demake pork. There is but little profit ganism and Christianity. Pagan obsery-in feeding, so far as pork making is ances and Pagan superstitions had become or Catharine to Peter the Great—his good concerned, when the thermometer is the established customs of the church. genius. A recent writer has said: "Withdown to zero. Remember this fact and commence feeding early. Hogs walled. The workship of images pre-would never have become the Prophet of would never have become the Prophet of that are to be marketed this year ought now to be in fair condition and should be fed unsparingly from this on until they are, ready for the market. The great mass of western farmers rely entirely upon our great staple-configuration a fattening food; his hand, was looked upon in adoration and certainly there is nothing that to possess divine powers or qualities. mon practice at that time in the East, equals it for this purpose. With a Miracles were of common occurrence. In and finds, moreover, almost numberless large majority of feeders, the growing crop is depended upon to fit the cient history better attested than the pared with David and Solomon, Mohamlogs now on hand for the market; and when this is the case they should of the church. Superstition and ignocommence just as soon as the corn rance are ever incompatible with liberty sible to relate here the wonderful events is hard enough to be of service. But of conscience. Intellectual slavery and which followed his death. The mere when there is a sufficient quantity of degradation must inevitably follow. The mention of the military exploits of his old corn on hand, it will be found more church never besitated to enforce its de- followers, would make a volume. From profitable to continue its use until the cisions by the civil power. new crop is thoroughly ripened. If

the hogstire of it in its hard, dry form, it will be found profitable to shell it by the Council of Nicea for simply mainfrom the cob, and then soak it-say faining in the Trinitarian dispute, which about twelve hours-before feeding, for a few days, and then return to the dry corn. The great secret of successful pork making lies in keeping the appetite of the hog in good tine, who ordered that whoever should condition, then supplying it plentifully with corn, and making your pork before the advent of cold weafind a book of that heretic, and not burn it, should be put to death. The works of ther.-National Live Stock Journal. ancient authors were declared profane mail-clad warriors of the West melted

BOILING MEAT .- The secret of boil. the Platonists, who, under the charge of April. Persia, Syria, Asia Minor, and Boilling meat properly is one that is un-magic, were put to death in large num-Egypt, were quickly overrun. The Saraknown to most Americans. The idea bers. The degradation of Europe may cen armies encamped on the banks of the scems fastened in their heads that be understood by the Inquisition of Faith Ganges, and marching westward through test boiling is indispensable to thor-instituted by the Emperor Theodosius. Africa, set up the standard of the prophet ough cooking of meat. Nothing is who ordained that all who did not accord more erroneous than this. Fast boi-with the belief of Demasus, Bishop of Musa sent his lieutenant, Tarick, into ling toughens the fiber, expels the Rome, and Peter, Bishop of Alexandria, Spain. The Crescent soon waved above tenderest surloin or round a tasteless, chippy, indigestible dish. The to be the former of the part is to part it. This monstrous regimen. It had become last humiliation. Dissensions broke out last humiliation. The vast empire of hard two or three minutes only. This which might be construed as antagonistic toughens all the outside meat so that to the traditions of the church. True knowledge was fast becoming extinct : a shell is formed, like the crust on a loaf, which holds the juices of the the world was sinking back into barbameat. .So soon as this coating is rism. Arabia, protected by its isolated formed the meat should be removed position, its vast deserts, and the bravery from the fire and kept as near as possible just below the boiling point until it is done. If it is to be served and Romans to enslave her. Here the cold, it should be left in the liquor persecuted of all sects in turn fled for in which it is boiled till both are safety, and the Jews and Nestorians in cold. If served warm, serve as much particular, had settled in Arabia in large tendom was lost. Alexandria and Car-

effect on the naturally robust constitution his last act an order for the distribution of all the money in the house to the poor his last words, "O God ! forgive my sins be it so. I come." The character of this wonderful man has been so traduced by the writers of the past, that not until the present century has any just estimate of his character and of the work he did been held even by writers of the greatest distinction. But the

most candid and weighty writers now seem willing to admit that with all his weaknesses and foibles, his fanaticism and ignorance, Mohammed himself siny seemed to have disappeared. It is cerely believed in his own divine mission. The zeal with which he gave up a life of ease and affluence, and consecrated his that the election of a Bishop was often life to the establishment of principles may18. which were sure to draw upon him perse religion taught by our Saviour and his cution and perhaps death, is a sufficient immediate successors, had undergone an proof of this, in the judgment of every entire transformation when the church fair-minded person. Probably the most attained supreme power. To conciliate, unfortunate occurrence that befel him,

was the death of Chadizah. She was to crosses and relics, were firmly believed to Islam; and in her death mankind received afford an absolute protection against the a severe wound." The most truly repower of evil. A mere stick or stone pulsive feature of his private life was his which some "father" had once held in polygamy during the latter part of his life, but we must remember that this, reby the debased people, and was supposed pugnant as it seems to us, was the comfact there is nothing connected with an- precedents in the Old Testament. Commiracles performed by the early fathers med might be taken as a model of constancy and conjugal virtue. It is impos-

cisions by the civil power. A presbyter by the name of Arius, who lived at Alexandria, was anathematized by the Council of Nicea for simply mainapostleship of their prophet. Nothing faining in the Trinitarian dispute, which first broke out in Alexandria, that from the work nature of somehin them the sword in the other, the very nature of sonship, there was a they traversed deserts, swam rivers, scaltime when the Son did not exist. The ed the snow-capped peaks of Caucasus NEW FIRM and flimala, marched under the burning sun of a torrid clime, offering to the vanquished and cowering nations of the and pernicions.
