to carry out his scheme. The fact that those who attempt to Philadelphia Record, one of the write against the poor house say nothing. I have in my mind notably the communi-If a farmer sells his farm and agrees to take payments therefor in one, not prose but poetry run mad," and be two or three years, what surety has longs to that class of writing significantly he until specie resumption is effected, can only be attacked by ribaldry, its sucthat he will get the contract price? As long as irredcemable paper dol-

is an improper one. To them the remark following is not addressed; They can be pay in dollars worth 100 cents or A builder who contracts to erect a the facts. But I find, Mr. Editor, that building next year for \$20,000, if for the loudest opposition to the poor house any reason the value of paper legal, tenders should fall off twenty per cent before the completion of his context merely of their resistance. They shrink from the imputation of inhumanitract, he would be obliged to lose ty, they desire to be thought the friends \$1,000. Who suffers for this risk.?

A merchant who wishes to make a venture with a cargo to Calcutta, and to purchase a return cargo, in length of the real motive is addition to the risk incident to mer-self-thmes, and their real opposition is to cantile transactions, takes the risk of the system, they lack the nonesty to amount the one and true courage to confess the currency. He dares the other, and—making the attack that admits the greatest amount of misrepresentation of the collection cantile transactions, takes the risk of the system, they lack the honesty to ad- 1874; you can boast of holding office for sentation-they oppose the selection of A manufacturer wishes to embark the farm. in business requiring extensive out. Let no one be misled by them. They lay and years of preparation—what are not the only inhabitants of the field

from an evil which greatly burdens our large cities, to wit, foreign pauperism; yet it must not be supposed on the other

possessed any amount of property. Comparatively few paupers come from the ranks of mechanics and farmers, more than half (in the State of New York 60 Local Option Law. The completed circle of Stutmer and per cent. of the whole), come from the classes of laborers and domestics. Old ago and disease find numbers of these classes cestitute. Bodily disability, blindness, insanity, idiocy, are prolific causes of pau perism, and are frequently the consequences of intemperance or crime Descried women and children, the widowed and the orphaned, help to make up the number of the destitute. All of these, the by proving that a desire for good joyful and grateful manifestation. In all waifs, the wrecks, and estrays of social government and not a greed for blessings which depend upon benignant life have claims upon us not to be lightly life have claims upon us not to be lightly regarded. While some are not cutitled to

our sympathy, many are justly the objects of compassion, and all have a right to humane and decent treatment. Under our township system, the case of these devolves upon the overseers of the poor. These gentlemen generally come from the class of well-to-do-farmers, they are usually fully occupied with their own affairs, have little time to devote to inquiring into the manner of treatment of their charges, and usually consider their whole duty performed when they have scrutenized the regularity of the order of relief, satisfied themselves of the proper settlement of the pauper, and made that distraction of the proper that its satisfied themselves of the proper settlement of the proper that its satisfied of the proper than the proper that its satisfied of the proper than the proper tha disposition of the person that involves the least expense to their constituents. Their tenure of office is short, and grievances are usually left to be corrected by their successors. It devolves upon no one to finding no energy or contage—the result of menespouse the cause of the pauper. Few is without friend, money, and bodily force. Prints, which have performed more mercelon These considerations make it manifest that great wrongs and abuses are the ne- Liver and Kidney diseases. Nervous and Sich cessary fruits of such a system, and I need Headache, Spine and Female Discases, Dizzine cite but few of the many cases that have Publiation of the Heart and Nerrous Debility of come to my knowledge, to prove this. In a western township of this county, a per-son of respectability and worth became son of respectability and worth became of humanity, and should be in every house. I few reduced in circumstances and a charge does will often save heavy doctors, bills. If you

upon the town. He was put up at aucon, sold to the lowest bidder, and fell to the care of one who was more a brute Saratoga, N. Y.; and receive them by matt. Sol than a man, and whose dwelling was more tike a hog-pen than a house. In an east- hag, ic, 77-cow. easily within their power to have goodness to our land and his manifest care in such a state that it was difficult to inor our nation. duce any one to take him. Finally a bar-New, therefore, I, Rutherford B. Hayes gain was made with a relative to care for him at \$5 per week. Complaint was soon made that the price was inadequate, but the poormasters insisted that the contract must be complied with, and refused to take him away. He died soon after un der suspicions circumstances, but no for mal inquiry was ever made.

my notice the bargain made with the pur-chaser is for a fixed sum per annual. Of course if the poor person dies or is compelled by hard usage to escape the town-Cone at the City of Washington this ship, no one is the wiser, and every one better off. Another case that may be mentioned, is that of a worthy old lady in wight hundered and seventy-seven, and an eastern township, who, while suffering from a cancer, was committed to the ten-der mercies of a household, many of the members of which were criminals. This poor unfortunate only fell among thieves after she had come to the care of the mod-'ern Good Samaritan. Doubtless many will be startled by the mention of these cases, but on consideration of the method that gives rise to them. They will see that such results can hardly, be avoided, and that the causes that lend to produce them terd also to keep them from our notice. Under the poor house syst in such oc-

pon as a safeguard. The poor system as

administered among us is a distionor, a strain, a disgrace. It devoves upon the

hristian men and women of Bradford County, apon all who profess and call themselves the friends of suffering and abused humanity, to drive this thing from EDITOR OF REPORTER:-I have observe ed for some time past, a great deal of party services that he sets up as a reason why it should be given him, is nothing more nor less than a cat covered up with very nice meal, in fact, he admits that all

-that's the "rab" that gives utterance County, and see if his demands could be complied with, without detriment to the established paper, and the public print-ing has been published in it for the past twenty-five years. The Republican is comparatively a new paper, and as a mator only to the particular choice of real ester of course is laboring under those difficulties incident to starting a new paper to compete with an old established journal, than those of the Republican; as between a small influences than or that certain for of his then two journals therefore, the require- tradford, and state of Benney vania, and bounds

law enacted, authorizing all public print-ing to be published in two papers in the paper baying the largest number of subscribers, and also in the Republican pairculation in the county-this very just REPORTER and Arous, but this rule does not prevail, and the requirements of the public make it necessary that the people of Western Bradford as they have two Canton, twenty miles or more from th county seat, are entitled to know what is going on at the county seat, and have sheriff's sales, and court notices published tract and start anew. His advice is as We understand this is the rule that has worthless as it is cheap. Not being a been followed for years in reference to lawyer, lie is as ignorant that the consent the public printing, and which was done of Mr. Myer and his assignee would be long before the Republican was started, ives have had nothing to do with the disribution of the public printing in Brad-Reporter an official organ, and that by given to your paper; this assertion is what they call out west popy-rock. Mr. Repubwantio get an opportunity to draw on the

er the public interest would be subserved in giving you the county printing or not; other object; and because the public's interest will not permit you to have it, you threaten to "bust" things, but your words are as sounding brassor tinking your behalf. It comes with iff grace from you to accuse others of holding office under the federal administration when you have held office about as long as any one. You held office about as long as any one. You held office under the federal administration as far back as 185½; for several years you were favored by the people's party, and later held an appointment at Washington under Republican Administration and the result of the dates of his appointment at the release of his appointment at his office about Million and provided his appointment at the release of his appointment at the release of his appointment at his office about Million dates of his appointment at his office about Million, due of his appointment at his office about Million dates of his appointment at his office about Million dates of his appointment at his office in the hands of h. F. Domphers William Relyea, Administrators of Robert Million dates of his appointment at his office in the hands of h. F. Domphers William Relyea, Administrators of Robert Milliam Relyea, your behalf. It comes with ill grace from you to accuse others of holding office unparty, and later held an appointment at Washington under Republican Administration, till the Democrats gained possession of the House of Representatives in 1874; you can boast of holding office for nearly a quarter of a century; you have to be in the organic transfer of the example of the organic transfer of the company of the control of Bradford Centry, No. 14, Sept. Term

Republican temperance men. when you are asked to support Mr. LITTLE hand our panper class is composed of reply that Mr. McPherson is just as SOMETHING NEW. those who have been reduced through loss good a temperance man as he is, and those of paupers who have owned and that the convention which nominated

HON. GALUSHA A. GROW WAS ON f the prominent speakers at the Twentieth Ward Republican meeting last evening. As long as such men enter with spirit into the issues of the hour there is little danger of the State falling into the hands of the Democrats .- Press.

THE President has sent to the Senate the names of the new appointees for the New York Custom House. They are: Collector Theodore Rosevelt.
