THE Boston Traveller thinks that,

in case of war between England and Russia, there would be no place in the territory of either where the other could strike with effect. But a war would give Russia'a fine oportunity to put out a few Alabamas to prey on England's commerce. By this means Russia would be able to do incalculable injury to England, without becoming liable to severe punishment. Thinking Englishmen see this, and are not slow to express the opinion that an Anglo-Russian war, would destroy England's ocean commerce,

THE BLOATED BONHOLDERS. less to the confederacy, and convict United States.
