Grow is having triumphal march through the western pert of the State, and in all quarters is developing unexpected strength. A few days since he paid a visit to West Chester, and the American Republican referred to the event in the most compliment-

"There are a great many things connected with the public career of Mr Grow, that will always endear his memory to the people of Chester

Mr. Grow was the author of the "Homestead Bill," which gives 160 acres of land to the actual settler. It was through his individual efforts that it became a law. Since then, provisions, thousands upon thousands of poor men have secured comfortable homes upon our Western prairie 'without money and without price.'

After briefly reviewing Mr. Grow's public career, the same journal says: "A man who has a public record of this kind will never be without friends and followers in this intelligent county of Chester. Indeed we have never entertained a doubt that had the friends of Mr. Grow made timely efforts in his behalf, delegates could have been sent from Chester county favorable to his nomination The only thing that can be urged against his political record was the sympathy he expressed for Horace reely in the campaign of 1872. But when we come to look back and. inquire into the close and intimate relation that existed between these

two men in the organization of the

Republican party; in the savage

contest that ended in making Kansa's

a free State; and in the still more

bloody contest for the preservation

of the Union, we need not be sur-

prised at Mr. Grow's sympathy for his old companion and friend. We announced months ago that this journal would not support the distinctive claims of any one candi date for Governor over that of another. In recalling these prominone that loved country better than ent incidents in the public life of party, and in the early days of the Mr. Grow, we feel that we are but war r cruited a regiment, entered doing justice to one who is endowed with more than usual abilities as a reading by a vote of 136 year to 16 nays statesman; whose public life contains It is not the same bill which was defeated ed the nation faithfully. WHAT OUR CORRESPONDENTS WRITE. LETTER FROM HARRISBURG.

\* HARRISBURG, April 19, 1878. The work of legislation this week was commenced with the session in the House on Monday evening. Bills on first read ng was the order, and among those thus read was the one in reference to which so "An act to provide for equality in rates of transportation, storage and handling of property carried wholly or partly by railroad companies in this Commonwealth," kown as the anti-freight discrimination hill it has thus been started, but its fate in the future is somewhat mixed. The Senate did not meet until Tuesday orable strife that made Kansas a free evening this week, when a very brief ses being disposed of. In the House on Tuesday at the norn ing session, the following, among other

bills, were passed finally: taxation of dogs in the different counties I unhesitatingly say yes, and go to Kan-of this Commonwealth, which imposes a sas. Let me give a few of the reasons tax of 50 cents on every dog, \$1 for every dditional dog, and \$2 for every bitch. An act to extend the jurisdiction of jus tices of the peace, magistrates and alder concurrent jurisdiction with the courts of common pleas of all actions arising from contracts either expressed or implied, and of all actions of trespass and of trover and conversion wherein the sum demanded does not exceed \$300, and allows the de fendant or plainting to demand a trial by jury, in which case the justice, magistrat

or-alderman shall proceed to empannel jury of six to tty such case. An act providing for the better govern ment of poor-houses throughout the State. An act authorizing and empowering the keeping indices in the several offices of to speak of the topography record in said counties, making and sub- generally and of particular localities. A, supplement to an act to prescribe

An act fixing the standard weight of a and a ton at 2000 pounds. Supplement to an act for the prevention of cruelty to animals within this Common

At the afternoon session of the House on Tuesday, revenue, pension and appropriation bills were considered on third eading, but none of them are of specialr nterest to the people of Bradford county The principal portion of the session he Senate on wednesday was occupied in disposing of bills on second reading.

At the morning session of the House of Wednesday the free pipe line bill was tal en up on second reading, the discussion upon it running into the afternoon. The bill, after being amended, passed second in the Senate, although somewhat similar number of bills were reported from the different committees, some affirmatively and others negatively. A number of local own breadstuffs, our own flavorings of bills were also passed finally and othervise disposed of.

At the afternoon session of the Senate on Thursday, the following House bill came up on second reading: An act to ascertain and appoint the fees to be received by the sheriffs, coroners clerks of the several courts, registers of monwealth, except counties containing nore-thân 150,000 inhabitants.

planation of the provisions of the act by Mississippi planter, and for fifteen it will become a law. The fees are brought back to about what they were before the

war. At the morning session of the House on Thursday, an act regulating the salaries suit against'ex-Sheriff WARD to re- employed in the several departments, their compensation, etc., was passed second reading, after being amended and dis-cussed for two hours. By the bill as various departments has been cut down about 10 per cent. endments to the Philadelphia

ecorder bill having been non-concurred in morning, when the bill passed finally, thirds vote (that of 34 Senrtors), and if the State Convention. Resolutions" the Democrats all oppose it there will be Senators with those of the 31 Republicans ing the delegates to vote, for Grow, is what is now wanted. Should the appresent session, the Governor can reappoint Mr. Quay after the adjournment and he can then hold the office until the next Senate disposes of his case.

in the House on Thursday afternoon, among other local bills the following, at uncroked food. The building is American Sunday School Union dus the instance of Mr. Foster, passed finally a gant in allists appointment. A bill February: New schools organized, increase the taxation for borough purpos of fare we she would be a credit to 1.138, with 5,227 teachers and 47, es, approved April 4, 1866, and re-enacting and revising an set to authorize the borthe best of the higher psiced hotels 707 scholars; schools aided, 1,108, ough of Towarda to increase the taxation borough purposes. In the Senate this morning a resolution foorl is abundant, and cooked and scholars; amount of supplies given, was adopted authorizing the printing of served in any admirable manner, over \$7,000. words, "Homes for All," "Farms for All," but did not redlize their import un-til I passed over some of the vast domain of Kansas. It seemed as if the popula-tion of the world might be removed to this young State and find plenty of room. Everything East seemed to dwindle into nothingness in comparison with the almost

imitless West. I spent two weeks in the State making every inquiry for even the minutest information that I thought might be of use to the large numbers of our citizens who contemplate locating West. And I seriously thought on return ing East I would embody what knowledge I might acquire in a series of letters to your valuable paper, but the pressing de-mands of business that have accumulated during a four weeks' absence, I fear will compet me to confine my communications o the limits of this and perhaps one more brief letter. The question has been asked ever so often since my return, whether would advise any one to go West, and if so, what State? I can only answer, as I

with from \$800 to,\$2000 cash in hand can secure himself and family such a home a five times the same amount of funds will not provide him with in the East. Second-The season for the performance of agricultural labor is at least two months onger than in this region of country.
Third—The healthfulness of the climate s far superior to that of Bradford county, The air of Kansas is so dry and so invigorating to the system that one's lungs expand with the natural breathing. I might go on and enumerate many other reasons, but I will merely add that believe Kansas is destined to become,

especially for agricultural purposes, one courts of common pleas to change, alter of the greatest States of the Union. I and direct the mode of preparing and would wish, if time were permitted me, crops, the prices of farm produce, of the opportunities for cattle ranches, prices of and facilities for the raising of cattle, the boroughs into wards, approved May 14, hard times, desirable points for locations, and indeed of a score of other matters. I will endeavor in my next communica oushel of bitaminous coal at 76 pounds, tion to touch briefly upon some of these I. N. EVANS.

April 19, 1878. COMPROMISE.

From the same oily substance as proof "butter." olcomargarine is manufac When pure, it is wholesome, and as far as I know, can not be easily dis-tinguished from butter; is cheaper, and is very largely coming into use. flour, tea, and 99 out of every 100 articles we buy in mass or a manufactured state, netimes adulterated-mixed with inferior and even impure substances. By ustom and by law, I would have all inju ious, deceptive food and drink labelled oleomargarine, for other impositions are laws, as wrong as this, morally and pecuniarily. warm drinks our own vegetables, vinegar, can-fruits, &c., the adulteration of which swell the profits of manufacturers and retail dealers. In that way we shall and avoid many dangers:

But our butter, also, is sometimes u clean by reason of sluts, and impure by reason of a coloring matter now sold to make "pale hay butter look like fresh grass butter." those who hoped to make money by Now, I propose that "doctored cow butter" be so labelled, as well as the "buil butter" (to use the languyge of an irate Granger). Let innocent purchasers be on their guard, in one case as well as the other, against the "vile stuff." Sauce for the goose is sauce for the gan-What says "Tweedle-dee!"

TWEEDLE-DUM. DESULTORY THOUGHTS.

A recent paper states that in Carbondale, Pa., there is not a contract for building, of any amount, this season. Also, that the rate of increase of population in New York State about a score of years past has been only two per cent, in the with the Senate amendments, by a vote of yeas 108, nays 67. It was promptly signed by the Governor, and on Thursday afternoon the name of Hon. M. S. Quay was sent to the Senate to be Recorder of the last two hundred years have afternoon the private of Philadalubia for ten years. the hotel. But she expresses grave QUISTON, O. E. SEAGER, P. T. WITH- city of Philadelphia for ten years. The greatly changed, and education and inter-

districts the superiogity in most desirable qualities, so that Goldsmith could say: For one, looking upon the whole field, have no regret that the fictitious, un healthy aggregation of nominal wealtha prettily-colored bubble-has burst. The longer it floated, the worse it was. The higher it rose, the lower its dapes had to fall. Hereafter, we must regard substance more than show. If we are wiser for our losses, we shall henceforth banish delusive credit for anything but real estate,

which does not burn nor rust. When peo ple pay as they go, they are comparatively The two facts grouped in the first paragraph above are worthy of being considered together. They combine to show that the building up of cities and villages opposite the Depot. has been, like most sorts of manufactur-ing and professional work, overdone. Carbondale is not alone—nor New York State. Everywhere, except in our newest States and Territories, buildings have gone up faster than they were really needed, and many are either empty or rented at rates which, however grateful to the tenants, are not compensating their owners.. They see that they have built out of proportion. And then, the enormous in

debtedness they have incurred in keeping up their insane "prosperity," is a burden which threatens ruinous taxation or repudiation, which will only enhance the evil in some respects. I am sorry for carpenters, masons, laborers, &c., but they, having shared in "thush times," must suffer with others in the reaction. Now is the time for those
