Contains winter it is turned partly away from the HOPS, BUCHU, MANDBAKE, DANDELION, Vermont Farm Machine Co.: ugh order by his repairer, and, when -----Vermont Farm Machine Co.: Dear Sirs-I have set up the No, Cooley Creamer which I procented of you, and have now had it in nso on my farm in New Jorsey zeroral weeks. I find that it does all you represented that it would do, and that besides raising atL of the cream from the milk in less than it hours, and koeping the milk perfectly sweet : it occorpios very little space : may be kept anywhere in a klichen, or a harn if desired, because being closed completely against accessed air the cream can imbils on odors: also that it produces more cream from the milk than I can procure from shallow pans, and is a great labor saver. I strongly recommend it to every builter-maker. I am suro I have gained in both quality and quantity over any kind of pan I have yet used for setting milk for cream. Yours very truly, HENRY STEWART. offered again, is in as good condition as possible SUCH AS FULLY COMPETENT A GOOD INNIMENT RECEIPE .- A sun, and hence his beams fall upon us in Some of these he can warrant for five years, the correspondent of the farm depart. a slanting manner.
