Hox. J. M. FORSTER, Insurance Commissioner of Pennsylvania, speaks as folows in his last Annual Report, in regard et al-Assumpsit.-Cases settled. to the lapsing of life insurance policies: "The impression prevails that it is to the advantage of companies to have their policies lapse for non-payment of preminms; that, as a rule, they contrive to chan, Esqs, for plaintiff; H W Patrick, I bring about this method of termination, N Evans and Elhanan Smith, Esqs, for and then refuse an equitable settlement with policy-holders. This impression is, to a great extent, founded upon miscon-ception. The policy-holder who pays one or two premiums, and then discontinnes payment, does a positive injury to the

company. The cost of carrying his insurance and procuring a substitute is, in many cases, greater to the company than entitled to no return: A large proportion of the forfeited policies are of this characpremirins, than policies on bad lives which it is desirable for the company to lose. The latter class make every exertion to keep their policies alone with the son vision to keep their policies alone with the son vision to keep their policies alone with the son vision to keep their policies alone with the son vision to keep their policies alone with the son vision to keep their policies alone with the son vision to the son Those County.—From the Mansfield tion to keep their policies alive, while the former are indifferent. The body of the
