Towands, Pa., Thursday, Feb. 20, 1879: LOOKING TO THE PUTURE.

Looking forward, the skies are not found abettors in our own ranks, clear. The country has passed thro' Senator CHANDLEB came in for his great vicissitudes, and endured enormous waste of life and treasure, withfull share of their sneers and misrepresentation. It shows that the public out any apparent impairment of its recuperative powers. Every man for sentiment of the country is not dehimself feels that the greater possimoralized, when the people turn with entire unanimity to again recognize bilities of growth and progress are yet untouched. In one sense the the integrity and faithfulness of such civil war disclosed national strength. trusted leaders as Senator CHANDLER. Senator CHANDLEB made a speech while in another it betrayed national to the Republican caucus which nomweakness. It disclosed national strength in its revelation of the latent inated him for Senator, at Detroit. undercurrents of patriotism, upon on Thursday night, in which he very which, through varying fortunes, the forcibly and emphatically disposes of republic was borne forward to final any charge that he used the telegraph victory; and it betrayed national for improper purposes during the setweakness because it illustrated the tlement of the Presidential question tendencies to disintegration which in 1877. He said :

"I had the honor of having a little have been a marked characteristic of mething to do with the election of 1876. republics in all times. When the last something to do with the election of 1010, It was an election on one side of fraud and violence, and without any exception -and I-say it deliberately and after ma ulated each other that at least some ture consideration - that the greatest of the vexed questions were settled; we said that at least the heresy of As I have said, I ran that campaign to a paramount State Rights was disposed cortain extent. I was chairman of the committee, and they howled fraud, fraud, of, and that the alleged rights of a rand. There was fraud, but it was or State to determine for itself whether the other side. Now, I wish to say with regard to that campaign, as I have said over and over again, that I never did a thing, wrote a line, sent a dispatch, either cipher or in the English language, or in it would bear allegiance to the Constitution and the laws made pursuant thereto, or cast off that allegiance. ny other way, that I would not be glad was determined finally in the negasee in print to-morrow morning e Democratic papers in these United tive by the highest of all authoritythe people themselves. Men are not This unqualified and direct stateso free to affirm either of these things now.
