The claim of evened in Harrisburg for a quarter of the heirs is for amounts against these a century that has not made haste to companies varying from \$5000 to obey the commands of that powerful \$20,000. corporation. Under the old system, before the era of the new Constitution, nothing could have prevented the passage of the Riots indemnity bill. There would not have been even a feint of resistance. With a Legislature of a hun ired men, there would have been no difficulty in "fixing" the majority in the short space of two nights and a day. This Logislature has chosen not to seem to be under the control of corporations. It has stood by the people at large, and in so much deserves approbation instead of indiscriminate

Of course, we shall be reminded of the unskemly exhibition some members have made of themselves during the investigation into charges of correption. If men choose to make fools of themselves, they cannot expect to be defended. We do not defend them. We have no apology to make for any u an who offers himself for sale to the highest bidder, in the Legislature or out of it. There is no excuse for any man who engages in corrupt practices. If any man is guilty of trying to induence votes by the use of moncy, or by the promise of money, let the fact by established and then deal out the penalty of the law. It is certainly - mething that a Legislature should consent to an inquisition into us methods. A totally corrupt body, such as a isla commentators seem to b tolerate an investigation of the nature admit that the sun might shine even man, and not half a dozen, however the contrary.
