THE Greenville Argus pays the following handsome compliment to Mr.

Hop. Galuaba A. Grow, of this Stat Hon, Granaha A. Grow, of this bears, is brought forward as a proper and a pos-sible successor of Beerstary McCrary in the War Office. Mr. Grow would make a competent and honest officer in any posi-tion in which the Government might place hits; and the administration, would do itself honor by placing the worthy ex-Speaker in the Cabinet. Upon which the Crawford Journal very properly comments as follows: This is right as far as it goes, but the

proper place for Mr. Grow, as every Re-publican in Pennsylvania knows, is in the United States Senate. The Republican party of this State will confer an honor inpon itself, and will greatly strengthen its side in the Senate by electing Mr. Grow to that place in 1880. He is not, it is true, the only Republican in the State who can be trusted in that position, nor the coll great between the state. the only one who would make an able

oright and influential Senator, but with his wide experience in public life, his stirred up the competing roads, and there ability as a publicist, and his orstory, he are various projects intended to counter-could at once command a high position in act the plans of the Reading. The Pennhe councils of his party and of the nation. Pennsylvania will make a great mistake if it does not supplant Wallace with Grow two years hence.
