Bradford Beporter.

E. O. GOODRICH, EDITOR.

Towands, Pa., Thursday, July 24, 1879 THE Republican State Convention me occupy his position as the representative at Harrisburg, yesterday, (Wednesday.) of a conspiracy ; a free ballot is demanded A caucus was held Tuesday night, at which to the Democracy, means unlimitwhich General LILLY, of Manch Chunk, ed ballot-box stuffing and bull-dozing and the most ludicrous of all is the declarwas made President. On motion a comation "that the Democratic party, as of mittee was appointed to report proceedold, favor a constitutional currency of ings. They reported L. W. HALL, for gold and silver, and of paper convertible temporary chairman, GALUSHA A. GROW, into coin," particularly as the soft-money element is-predominant everywhere, and for permanent chairman, J. E. BARRETT, the hard-money doctrines of the old-time of Lackawanna, WM. WITHROW, Alle-Democracy have been ignored or abandon gheny, and JNO. McColloud, for tem-

porary Secretaries.

The probabilities are that SAMUEL BUTLER, of Chestor county, was nomballot.

THE Republicans of Allegheny county are in a row over the nominee for Coroner recommend new primaries and a new Ewing, of Ohio, and Senator BARNUM, Convention.

THE miners at the McIntyre min have been on a strike, which has finally | The purpose of the interview is supposed resulted in the resumption of work by all who have been allowed to do so. The Mr. TILDEN. Other reports state that the company refuse to employ some of the bar'l has been again unheaded, and that strikers, and they have left for other regions.

THE West does not have a monopoly tornadoes, as a destructive one swept over a portion of New England on Wednesday last, demolishing buildings, and causing the loss of several lives. Several small vessels were capsized at sea, it is feared with much loss of life.

It is extremely important and gratifying to be informed by cable telegram from Berlin, "that' the supposed new planet discovered at Clinton observatory, July 17, by Professor PETERS, is Frigga,"-and consequently is a heavenly body which is perfectly familiar to the star-gazers.

THE New Hampshire House of Representatives has passed a bill giving the State Railroad Commission the right to bias, and prejudices, if he would tarry regulate the tariff of charges on any rail- | for a long time at Montrose, and in the road in the State, and prohibiting any quiet and serenity of that place, he could Railroad Commissioner from holding learn a valuable lesson by noting the office in any railway corporation and steadfastness with which the people have from owning the stocks or bonds of any railroad.

HON. RUSSEL ERRETT. member of Congress from the Twenty-second district, has now an undisputable right to the rank and name of a Granger. He fell from the top of a load of hay at his farm in Chartiers township, Allegheny county, on Thursday last, injuring him- Congressional delegation from that self severely. We hope his injuries are State should be Republican. it will not fatal, as Mr. ERRETT is one of those public men who cannot be spared.

THE ocean steamer, State of Virginia, should there be no choice by the from New York to Glasgow, was Electoral College, which is at least

rogramme was carried out, as made by arrangements might be made which President thoroughly understands Gover programme was carried out, as made by the TILDEN managers, and Mr. DANIEL O. BARE OF Pitaburg, nominated as the candidate for State Treasurer. Mr. VAU and his Philadelphia delegation were un-ceremoniously kicked out of the Conven-tion. The resolutions are evasive and pointless, inflated in style and false in statement. The President is declared to occupy his position as the representative Hanse. The representative the sector at the provide the sector at the sector at the sector at the president tal candid-to country the permanency of the prin-dice for which as the representative the sector at the sector at

House. There is nothing to prevent been removed from a subordinate such an arrangement, as an elector place by the Democratic Sergeant-atcan cast his vote for whom he pleases, Arms of the Senate, has been the regardless of instructions or even of occasion of much severe comment pledges. That such an arrangement and misrepresentation, based it would would be repudiated by the voters at scem, upon an imperfect knowledge the polls, is more than probable of facts.
