Woman, like man, "never is, but always to be blesscd," and when they are accorded a long claimed right, they don't care for it.

THE revival in the iron business is very decided and satisfactory. At Pittsburg from a reliable source comes the statement that "the manufacturers cannot supply the demand for iron from the East and West, running double turn, at thirty-eight dollars per ton. Everything dus may have politically, or by betlooks toward a period of prosperity, and healthy development of our industries proving beyond contradiction that Pitts burg is and will continue to be the great center of supply for iron and its numerous specialties.

To make a canal across the Isthmus of Panama is a stupendous undertaking, but it now seems that the project is seri onsly entertained. A company has been formed, of which M. DE LESSEPS is the President. The capital stock is 400,000,-000 francs (\$80,000,000). An office has experienced, and filled them with unbeen opened at 120 Broadway, New York, and subscriptions for shares are solicited. The company submits a schedule of anticipated receipts after the completion of the canal upon which a promise of eleven per cent, dividends to the shareholder i

It is no use offering us a mission t England. 4 Respectfully declined, with thanks. The salary is only \$17,500, and the minimum additional expense is placed by those in Washington, who have the best means of knowing, at \$24,000 per annum. The added sum makes provisions only for such style of living and entertaining as are inseparable from the position. Some of the American minister to England have expended about \$40,000 above their salaries, but'it is regarded as for by an extra outlay of \$24,000.

patiently waiting.

The scene durwomen and children rush ng hither and thither in search of elevated positions where life might be secure. Many people lost all their effects, and

On Sunday afternoon, says the remains now lie. Wilkesbarre Record of July 31, a young girl named Ryan, twelve years of age, went after huckleber. Pittsburg on Wednesday of last week ries with a number of other children. She was living in the family of a man named O'Toole, at Mill Creek While McKean county, where a number of their dulcet tones that the election is of no the representatives of the former re- brate the twenty-fifth anniversary of 000 in excess of the sum legally due him one was carried out by the currents, and the girls were passing through a country people had already found homes. consequence this year, that it will fused to follow the latter against the the entrance of that State into the dies instead of being buried by the city of Philadelphia; that 112 boin the struggle to save her the uncle was piece of woods, they were met by a country people had already found homes.

The fresh arrivals say that hundreds of man, who, in a stern manner, ord ed them to return. The children were frightened and retraced their steps at once. In some way the Ryan girl got separated from the others, and did not return with them. ing Sunday night, and on Monday O'Toole went to her mother's to see if she was there. But no one had seen her, and her mysterious disappearance caused great anxiety on the part of those most interested in her it is a same and interested in her interested in he tons. The Sabbath saw several proces- if she was there. But no one had able to hear anything of them until a few Scheutzen Park presented scenes which pearance caused great anxiety on the of his sisters, all of the family left, were were not exactly of the camp-meeting part of those most interested in her living at Shamokin and almost in destiwelfare. Monday passed, and Tues- tute circumstances. He has provided for which did not allow a man to kiss his wife day, and still she remained away, them handsomely, The heart of the poor mother was now torn with anguish, for she could not comprehend the meaning of the ticket, for judge, Alfred hand; for strange and sudden disappearance of the child. She visited all the neighbors, but none could give her any clue as to the whereabouts of the

clue as to the whereabouts of the missing one. Yesterday the police of the city were notified of the facts in the case, and a search was begun, but up to a late hour last night, no trace of the child had been discovered. There is a faint suspicion that the man who drove the children out of the woods on Sunday may know the case of the woods on Sunday may know the child had been discovered.
