If I should not present work at the Fair let me assure you we never made better work than now, as our specimens will show, and all we want is the opportunity to show you what nice work you can get for a little money. We are too busy to see you at the Fair, but hope to see you at the Gallery.

Yours,
GEO. H. WOOD.

Mirthful Morsels.

MORNING rappers—Milkinen.
FINE talk—" \$25 and costs."
STANDARD business—Flag raising.
HASH leads many an honest man to doubt.

WHEN is a lawyer strongest? When he is feeblest?

WHY should a layman care for a sitting in the church?

IN playing archery young women don't mind the beau.

THE carrier-pigeon never travels with his cote on his arm.

A DELICATE parcel—A young lady wrapped up in herself.

AN attached couple that are always separating—A pair of shears.

WHEN gamblers fail to agree they pour Hoyle on the troubled waters.

It is beauty's privilege to kill time, and time's privilege to kill beauty.

"How is your stock in trade?" as the drummer said to the l6se dealer.

STRANGE anomaly; is it not, that a fail-over-coat should have a stand-up collar?

THE world without woman would be a perfect blank—like a sheet of paper—not even ruled.

When did the alphabet get into a row? When A bet, B hit, D cried, N raged, Q bit, and X pounded.

It takes less time to get over one's own misfortune's than to be reconciled to a neighbor's good fortune.

THOUSANDS of boys would go dirty all summer if it were not wicked and dangerous to bathe in the river.

SOLILOQUY by a tippler—The public always notices when you have been drinking, but never when you are thirsty.

CUSTOMER (in quest of a particular brand of cigars). "Are those these?" Dealer (affably). "Yes, sir; these are those."

THE man who is not afraid of war or yellow fever is generally afraid to take out a paper of tobacco in the presence of a crowd.

WE call the attention of Anthony Comstock to the fact that winter is lingering in the lap of spring. Such immodesty must be stopped.

THE *Free Press* is of the opinion that a man who gets a snow-ball on the mouth comes awful near seeing a white swallow—about as near as he ever will.

IF you see a bank note on the sidewalk or crossing, be sure you pause, stop and pick it up. In not doing so you might be guilty of passing a counterfeit bill.

HIP-POCKETS are a comparatively modern invention. — *Indianapolis News*. Wrong again. Hip-pockets were invented by Hippocrates. — *Louisville Courier-Journal*.

WHEN a \$2,000 clergyman is offered a \$3,000 pastorate, it is styled a "call," whereas, in point of fact, it is not a "call," but a "raise." And he generally "sees it."

SCIENCE says that it took millions of years to evolve man from the oyster; observation shows that it takes less than a minute to transfer the oyster to the man.
