Messrs. A. J. INLOES & Co., Bingiamton, N. Y .- Gent'emen-I found so much re icf from using the sample bottle of Ely's Cream lalm, for Catarrh, that I purchased three bottles I large size, which has almost cured me. I had uffered from Catarrh for ten years; at times the min would be so had that. I was obliged; to stay in the house and send for a doctor. I had entirely ost all senss of smell. The Cream Balm has worked a miraclo for me. I shall persevere in it ise, for I am convinced it will effect a cure.

Ber By universal accord Aven's Ca-HARTIC PILLS are the best of all purgatives for unity use. They are the product of long, laboriis and successful chemical investigation; and helruse, by Physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative Pill that medical skill can devise. Being purely vegetable, no harm can arise rom their use. In intrinsic value and curative owers no other pills can be compared with them, and every person, knowing their virtues, will en ploy them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of the. Mild, searching and efhe digestive apparatus, derangements of which ley prevent and cure, if timely taken. They are the best and safest phosic to emplyy for children and weakened constitutions, where a mild, but effectual, cathartic is required. SOLD BY ALL

frown thence by the solid to south 349 east 59-19 perches to the flue of Bridge street; thence highly said sign 141 perches to a corner; thence might 349 work solid a perch to a corner of Andrew Feets shall; those on the line of Fronfistrest south 579 west 56 to reaches to the place of beginning; containing 215 perches, note or less; all improved; no buildings. Solical and taken into execution at the suit of Jonathan Homet vs. John Lynch.

No. 27 ALSO—befondant's one half interest in ong other lot, place or parcel of land, situate in Canton Borough, described as follows: Beginning at the north end of the dam; thence exister oparal-—Lieutenant Northrop, of Towanda, was here several days has week inspecting the workings of the State Orphan School, to report to Watkins Post, G. A. R., of that place, being appointed a committee for the purpose. Mr. N. has three boys in the school. We met the gentleman, and he expressed himself highly pleased with the management, and with the interest manifested by the children in their routine of duties. He carefully examined every department, and is well and the second second with the management, and is well and the first outline of duties. He carefully examined every department, and is well and the first of the plot upon which will soon appear a boiler shop 64x125 feet, a foundry 64x125 feet, a fou from this he has taken a large number of epis, black bass, of large size, and other some rands and them, and the same that week hash in large quantities. New Attractions—A Pennsylvania Serial below the dam; the north of the grate at the patrange of the race leading to the grist mill; thence south to the north bank of Mill creek to a bigh water mark; thence injected to do grade at the patrange of the race leading to the grist bank of said creek to the dam; thence along said dam to the place of beginning; containing about 2, an arce, more or less, together with the pivilege of keeping up the dam; or mill purposes, but not to raise the water so high as to injure the mill property above on said stream; reserving the rights reserved by Ellis lie kwell in deer to N.S. Commark to draw the water from said dam for the use of the grist mill, when not needed for use by the parties occupying the above described premises.

No. 21. ALSO—One other hot of dand, stimate in north end of the dam; thense easte --charger amount for them than for the Is the following poetical strain is the FUNERAL OF HON JOHN PASSMORE.—
The funeral services attending the burial of Hon. JOHN PASSMORE were conducted systematically morning at the residence of Hon. L. D. Shounaker, whose sister was the Passmore's wife. The remains were department, and is well qualified to'express an intelligent opinion of its merits.—Manyfeld Absertiser.

—J. P. Kiran informs us that he has decided to take up his residence in Floridance for that the receive dispatches, keep a record of to receive dispatches, keep a record of to receive dispatches, keep a record of the receive dispatches way the Troy Gazette of last week, talks of the rise of hay: "Hay is very dear for this time of year for MAN and BEAST. THERE is to be a lonation visit for the sall we can hear there was a good crop this For External and Internal Use. year, but the dreath was severe and the The Greatest Pain Relever of the Agmendows are "sere and there's little full ogreed by Fills for Kwei in dee 18.8. Schlaark to draw the water from sild dam for the use I the grist mill, when not needed for use by the arties econyping the above described promises. So. 21. ALSO—One other for of dand, situate in auton township, described as follows: Beginning feed the farme is to cheer. In Troy it is brought here a" on early nour vesteday decided to take up his residence in Floriselling, as some one was telling, at \$12 morning, from Eric, where the deceased per ton while a Morris Run it is worth was taken seek while on a visit. It was State as soon as the cold weather sets in. was taken sick while on a visit. It was his request that he be burried beside his wife in the Ferty Fort Cemetery. The services were conducted by Rev. Dr. relations incident to his long residence here, and form new ties in a distant follows Passmone had been for many State and a winter's sojourn there will departments stand well for feared attendance to duty. Below the foregree here will be considered by Rev. Dr. Safet and a winter's sojourn there will be considered to his long residence here, and form new ties in a distant for careful men are employed for these duties, and we believe this company's endoyes in all departments stand well for careful attendance to duty.
