THE Maine difficulties have had an end ing at last, and have been settled just as every reasonable and sensible nerson sun posed they would be. The Supreme Court of the State declined to recognize the Fusionist bodies and declared the Republican Legislature the legal one. The Judges do not recognize that there was a quorum in the Fusionist Legislature when aside the popular will. He is one of it organized without counting men who those public men who command appeared to be elected under the illegal the admiration of such people as modes pursued by the Governor. The Senate was also legally organized. The pinion of the Court is very clear and emphatic intaccordance with the law and the facts, and the result has been that the those who have a leaning towards Fusionists have disbanded, the legally elected members taking their seats in the GB'ANT OF SHERMAN OF WASHBUBNE. regular Legislature. This bold attempt to are less demonstrative, and conse disregard the popular will and subvert quently do not give the evidence of the State Government has been signally that public sentiment which really discomfitted, and the actors in it will be exsists. But it is gratifying to know
