JUDGE OF SUPREME COURT. Hon. HENRY GREEN, Northampton. AUDITOR GENERAL.

Hon. JOHN A. LEMON, Blair County. HADN'T the Democracy better manag their own affairs satisfactorily, before they worry about a "third term" or any

of our demessic matters? THE Boston Traveller wants the nam of the first Republican who voted for GRANT in 1872, and for HAYES in 1876 - o will not vote for either GRANT nor BLAINE in 1880.

RHODE ISLAND will send eight BLAINE delegates to the Republican National Convention, who were selected by a com mittee at the State Convention, and elected without dissent.

New York, the last subject of the Wash- lainy. in ton County crematory furnace, weighed thirteen ounces. Two hours and twenty minutes were required for cremation.

HAVING TILDEN on their hands, it hardly fair to expect the Democracy to interfere in the struggle for the Republican nomination for President. They have now a larger contract than they can fill.

UNLESS the pending deadlock between the President and the Senate in the matter of the appointment of Census Super-Illinois and perhaps several other States.

An express train dashed past the sta -Wednesday, just as a passenger train had significant action was the passage of stopped and was 'discharging its passengers, who were in a group on the track. Result, one man killed and several injured. If that isn't murder in the first degree it comes very near it.

Ex-Senator Hitchcock gives a glow ing account of the emigration now going on to Nebraska and Colorado. He says that every Western train is crowded with persons anxious and determined to find a new home in the West. The rush is unities to all who apply. He believes that the States of Kansas and, Nebraska alone will, at the coming census, show an aggregate population of over two millions

Another New Jersey clergyman has judiciously osculating, and has been haulportunity to practice in some other congregation, provided he can find one which requires such a qualification in its pastor.

association case, holding that such associations are no exceptions to the general law governing corporations, which provides that a shareholder cannot sue at law as a shareholder; but, if such shareholder wishes to part cibate in all the proproperty, the series to which it belongs. If he is not content to wait their action, his only remedy is to withdraw and to stockholder.

Committee fixed the 22d of May for the primary elections to nominate a county ticket and elect delegates to the Chicago Convention. A vote of the people to exed by Mr. HEISTAND, binding every Senator and member to the Legislative caucus: was opposed by Mr. E. K. MARTIN ed upon as a harmless amusement.

annoyed and persecuted by some villain. who sends out postal cards, and brings to his house all sorts of persons on all maners of threshing machines, locks, safes, reapers, mowers and binders, shoes and other useful articles; and immumerable circulars from I carding schools and seminaries from all parts of the country, in response to his supposed inquiry for a tempest. school for small children. The motive for this strange annoyance is unknown, and so far all efforts for the detection of the scoundrel causing it have been una-

GENERAL GARFIELD did good service Democrats in Congress intend to make the election laws, which the Supreme Court has just pronounced constitutional, null and void by réfusing to appropriate date. There will be fraudulent elections and then the count will be made by the Senate which has been packed with Democrats by the expulsion of Republicans or country can observe the development of this infamous conspiracy with so little

WASHINGTON is full of scandals, impliprominent members of Congress. Probably many of the disreputable stories have their origin in a design to blackmail, but there will be surmises and scandals so ceeded by ZACH CHANDLER. Domestic forced. troubles led to a separation, and on his part is the allegation of infidelity, the young wife who went to Peru, remaining the Democratic leopard has not do not demand that a sentence of fine and pany.

ing to Washington. She tells the story of leper his skin? Did not the country conviction is all that justice demands, noney, and rewarded with the appointment to Peru, in consideration of his resignation as Sepator. She also discloses a down. Altogether it is a disgraceful affair, and has furnished occupation for the

Washington gossip. THE infamy of the fusionist attempt to shown and fully established by the investigations which have been going on. The Legislative Committee has prepared its report, revive the circumstances of the counting-out, referring to the details already made public, and the unwillingness of the majority of Fusionist officials to appear and testify. Messrs. GARCELON and Moony being the exceptions. The report states that GARCELON, while evincing a willingness to disclose everything. was infirm infirm in his memory, and failed to give a satisfactory reason for his course. When the evidence was laid before him he ceased to longer defend the counting-out and passionately declared his own innocence, and delared that a Ju-THE remains of the late Dr. HARN, of das among the Council had done the vil-

With the intestine quarrels of the Democracy we have little concern. It is nothing to us, whether WALLACE beats LACE. They may fight out their little House. battles to their hearts' content, and if it is a Kilkenny cat fight, so much better for the country. Just now, WALLACE seems to be the "upper man in the fight." An unusually prolonged and animated session of the Democratic State Committee was hold at Pittsburg last Thursday. visorr is compromised there is likely to be when the clans met in bitter array. It no enumeration in Pennsylvania, Ohio, was a preliminary skirmish, and developed the fact that Senator WALLACE's friends held the fort. The State Convention was appointed to be held at Harristion at Annville, Lebanon County, on burg on the 28th day of April. The most esolution directing the Chairman, in making up the roll of the Convention to recognize the McGowan delegates as the true representatives of the Philadelphia Democracy. These delegates are opposed to RANDALL and TILDEN.

> A SENSIBLE CONCLUSION The King of the Scratchers ha

issued his Royal Edict in the columns of Harper's Weekly, on the subprecedented and the railroad lines are put ject of Bolting, and it reads as folto the test to furnish transportation facil- lows: " Whoever the Republican party nominate there will be no bolt." Coming from George WILLIAM CUR-TIS, this may be accented as an evidence that reason has resumed its sway, and an authoritative declaration got himself into trouble by kissing female that the Independent Republicans members of his congregation. Rev. Mr. expect to support the Chicago nominee whoever he may be. The reasons ed up before the deacons. He protests given for the emphatic announcement that he acted from the best motives, but we italicized are set forth with a conthere appears to be an objection to his ciseness, clearness and vigor which excites surprise that there should tentions are confined exclusively to the have been any discussion as to the good-looking sisters. He will have an op- duty of Republicans or the admission of the possibility of defection under any circumstances. The veriest tyro in political affairs must long ago been able to recognize the fact that we are decision of the court below in a building on the eve of a great battle, and one in which the lines will be sharply drawn-that the conflict is to be severe and the consequences momentous-and that great peril overhangs the country. In such times and on tits of the association, he must wait until such an occasions, when the life of the corporation winds up, by the sale of the Nation hangs in the balance, the real estate and conversion of its other public mind is in no condition to be influenced by minor considerations. nor to be swayed by trifling causes. bring a suit at law as a withdrawing There will be an earnestness and determination in this canvass, which merges in the tremendous consequen-THE Lancaster County Republican ces of the result, all personal preferences or individual grievances.
