Republican State Ticket.

JUDGE OF SUPBEME COURT, Hon. HENRY GREEN, Northampton.

AUDITOR GENERAL.

Hon. JOHN A. LEMON, Blair County.

HON. HEISTER CLYMER, of Berks county, was married in St. Louis on Monday, to Mrs. CLEMENS, of that city.

WHETHER OF NOT TILDEN is a physical wreck, he certainly has strength enough left to maintain his grip upon the Democratic party. The most desperate efforts to shake him off, only end in tightening his

THE President has concluded to defer favor of the banks. making any appointment of a successor Postmaster General KEY until after the Republican Convention, for fear of being

accused of favoring some one of the candidates for the nomination but he will allow the successful candidate to name the man for the place.

JUDGE TRIGGS, of the United States District Court for Tempessee, died on Sunday, the 25th ult., and the vacant Judgeship has been offered to and accepted by Postmaster General KEY, which makes Dauph vacancy in the Cabinet, the second which has occurred since Presiden HAYES's inauguration.

The amount of movey spent abroad by American tourists is immense. This year the number of people going abroad is larger than ever. The New York *Herald* The rounders and heelers, the McMUL-timeter that \$85,000,000 will be expended LINS and JOSEPHS of Philadelphia, suc-American tourists is immense. This year ed abroad by traveling Americans. The ceeded in nominating their favourite, DE-extravagance of our people has increased CHERT, as the candidate for Auditor Genthe price of everything on the Continent.

THE Obio State Convention met on Wednesday of last week, the friends of Secretary SHERMAN being largely in the majority: A resolution was adopted which instructs the delegates at large and requests the district delegates to vote at Chicago for Mr. SHERMAN, and use all norable means to secure his election.

THE Chicago Tribune is not far out of the way when it says that "E. B. WASH-RURN for President and General STEWART L. WOODFORD, of New York; General JOE R. HAWLEY, of New England, or the Hon. GALUSHA A. GROW, of Pennsylvania, for Vice President, would be a ticket that no Democratic ticket could come within 1,000 miles of beating."

MAJOR GENERAL SAMUEL P. HEINTZ-ELMAN, retired list, United States Army, died in Washington, Saturday morning, in the seventy-fourth year of his age. He was a native of Lancaster County, Pennsylvania, and graduated from West Point He was a gallant and distinguished officer, and had served his country well and faithfully.

THE inevitable annual trouble between the Indians and the miners is beginning to show itself. This time it is with Utes, in Colorado, whose reservation the rs are about to invade. Nothing can blackened eyes and broken heads stop the rush of emigrants to the prospec-tive gold fields, and there is probability of a collision, which will lead to outrages and bloodshed and immense expenditure. It matters but little which of the

leaders has gained a victory in this TEN State Conventions this week will keep the pencils busy figuring up the action of the Convention. Whether situation, and calculating the chances. Republican Conventions were held vester-

The majority necessary to nominate a President is 379. There have also been chosen 234 out of the 738 delegates com-posing the Cincinnati National Democrat-ic Convention, of which 188 are reported for Mr. TILDER, 64 for General HANCOCK, lukewarmness in our ranks in the coming conflict. Common-sense 14 for Senator BAYARD, and the preferences of 8 are unknown. The majority necessary to nominate a President, if the 'two-thirds rule " is adhered to, is 492. n making this computation, the legation is taken at 22 for TIL-DEN, 22 for HANCOCK and 14 for BAYARD, and the entire 6 Oregon delegates, with 2 from Connecticut, are classed as unknown.

A BILL has gone through both houses of the New York Legislature, and is now before the Governor for his signature, imposing a tax, upon all foreign capital employed in that State. The threatened hostile legislation is creating quite an exdisaffection or halting; whoever may

be named at Cincinnati will be accitement among Canadian and California banks, and will have the effect of driving cepted not only with unaminity but away about thirty millions of capital. the bill should become a law it is said with enthusiasm. The determination that the foreign banks will withdraw of the Democracy is to elect their with enthusiasm. The determination their funds and then contest the bill. candidate, and if JOHN KELLY or any a similar case about six years ago, when candidate, and if JOHN KELLY or any foreign banks were taxed under the laws one else should attempt to stand in

of 1855, the Court of Appeals decided in the way they would be overwhelmed and extinguished in the absorbing and general desire for success. Re

THE Times is forced to admit that "the exhibition of political rodwyism given at the late Democratic State Convention was publicans can with profit heed the lesson, and imitate the example. the most disgraceful ever witnessed any representative body of the State, and

it was almost entirely from Philadelphia." The Convention was ruled by the hired rowdies, while outside, assaults, pocket picking and larcenies were fearfully prelts, pocket_T valent, eight of the thieves and rowdies having been indicted by the grand jury of

in county. It was a demonstration of what the people of Philadelphia might expect should the Democracy ever again get control of the municipal government.

eral. The honor of being up for defeat was an empty one-and the Democracy

vould have brought more credit to their ticket by having HERRICK upon it, than they would have brought to him. NEB. may congratulate himself that i.e will be spared the worry of the canvass, the tapping of his bar'l, and the humiliation of certain-defeat. He's too decent a man. anyhow, to be mixed up with the crowd, which lately broke the peace at Harris

THE DEMOCRATIC LOVE FEAST. The Democratic gathering at Har risburg, last week, ended in recon

ciliation and harmony. After more than the usual amount of ruffianism with a liberal display of revolvers and the free use of black jacks, the factions were welded into a single, if not homogeneous mass, amidst the wildest enthusiasm. It must have been an edifying spectacle to have

witnessed the embracing of the rounders and repeaters as they clasped hands and kissed in fraternal conprobation. That the severity of the cord, notwithstanding the conten tions of the previous hours, and the sentence pronounced upon the off indwhich fitly added variety and emphasis to the scene.

certainly result from division and ORR, of Franklin (TILDER); LEWIS C. news of Colonel Scott's resignation CASSIDY, of Philadelphia, R. MILTON reached the street, however, the stock SPEER, of Huntingdon (anti-TILDEN). was depressed to 523, and quickly ran to The great contest in the Convention was 523, where it wavered, and slowly comcoming conflict. Common-sense should teach us that the time has come for putting aside personal pref-erences, for the ending of pointless discussion, and for awakening to the full realization of the situation, and the knowledge that the dangers which threaten demand the active, cordial, and energetic exertions of every Rt-nublican

There will be no bolters from the Democratic party; there will be no

ounting with reference to the predelictions of the delegation. One side says the majority is for TILDEN, the other claims it equally as confidently against him. We won't pretend to decide. THE Press is a bright newspaper, and makes some astounding discoveries and revelations but it outdoes itself when it sunces that "the significance of the not there is any sincerity in the proresult of the Democratic State Convention is that Pennsylvania is opposed to the at it in another light, as being the certain evidence of the power of one man-who resides in Gramercy Park, and rules by the virtue there is in the open bar'h.

THERE appears to be some question, a whether RANDALL or WALLACE was the victor at Harrisburg, but there is no doubt about, MCMULLIN. He first captured the hall in which the Convention was to be held, and then took possession of the Convention. His Fourth Ward crowd was invincible; the only drawback was that the Harrisburg police didn't appreciate their humor, and some of them got into the lock-up, with a fair prospec of the Penitentiary.

A FISH WARDEN life is not a happy onc-at least when he attempts to execute the laws. Recently the Fish Wardens started out to see who was breaking the law above Columbia dam, and iwere quite surprised at an attack in force by a party f men, who summarily capsized their boat and proceeded to cut it in pieces, leaving the astonished Fish Wardens to get back to Wrightsville the best way they could after a ducking in five feet o

THE Methodist General Conference which met at Cincinnati on Saturday is 'so largely attended that the botels and boarding-houses are more than filled. It is to be hoved that it will continue session until the meeting of the Demo- elect their nominee for the Presicratic Convention, as it is possible that the presence of so many of our Methodist brethren might have a restraining and purifying infinence upon the unterrified. But if Harrisburg affords an illustration, it will require a regiment of soldiers to keep the peace.

INFORMATION has been received at the Census Bureau to the effect that, under an act of the Legislature of Pennsylvania passed in 1874, justices of the peace and notarios public are not eligible to the position of enumerators of the census, under ing and threatening in the prospect a penalty of from \$50 to \$500. Supervisors have been notified not to appoint numerators holding such positions, unless able hope of victory, made possible they have the positions indicated, as there by a solid South will have the is no desire to have any embarrassment attend the operation of the census-taking to consolidate the Democratic vote, after the work shall have begun.

NOMINATING a favorite candidate (on paper) is the easiest thing in the world. All you have to do is to put in the col-umn of votes claimed for him, a sufficient number, and the most satisfactory result will be conducted. can be obtained. Just now this is a favorite pastime in political "bureaus," with partizan editors. It keeps up their courage, don't you know, and then it may may influence those weak-minded individuals who like to be on the strong side. If the figures which are now daily given appreciate the tremendous struggle don't lie, there will be at least three successful caudidates at Chicago, with a dozen possible "dark horses."
