. OCTOBER.

Exit Fair. \_Ain't you sorry you didn'

THE Adams House, Troy, has a

THERE was a heavy frost on Friday

A VALUABLE horse, belonging to CHAR-LEY BOWMAN, died one day last week.

» In is estimated that the tobacco error covers 149,000 acres in Pennsylvania.

HUGH CRAWFORD, has his new steam saw mill on Armenia in running order.

THE agricultural almanacs predict that fence. Many other improvements have we will have the first snow on the 29th of been made in the arrangement of the THE agricultural almanacs predict that November.

THE Troy Farmers' Club hold their Annual Fair Wednesday, Thursday and Friday of this week.

THE Troy Gazette says that J. HETH- the number of exhibits was far in excess ERLIGTON, of Wetonah, lately refused \$100 for a short horn yearling.

THERE seems to be more hunters than squirrels about this part of the country. At least, we hear of but few of the latter being killed.

Our people are already adorning their houses with autumn leaves and trailing vines from the hillsides. The more of this the better.

AT Snedeker's, on the Northern Central Railroad, JERRY RYAN is finishing one of the handsomest residences along

the line of that road.

MR. L. C. PALMER has bought a lot of land about one mile east of Centreville and will move his steam mill there from Doty Hill, next spring.

THE Canton Fair Association has abandoned the idea of a fair this fall, it requires too much work to get the grounds in other in proper time.

A YEARLING colt, belonging to J. J. SMITH, of Grover, this county, took the second premium at the recent Chemung County Fair at Elmira.

THE Leona Cornet Band have recently purchased a handsome new uniform. This Band furnished the music at the Troy Farmers' Club Fair this week.

Joux IRVIN, of Union, Tioga County stances. is building a steam saw mill on the place occupied by the D. Loxox mill above

Alba, which was burned about five years

THE FAIR The twenty eighth Annual Exhibition of the Bradford County Agriculturel Society, was held on the grounds of the So-ciety, in East Towan's, on Wednesday, somely arranged display of Warner's Safe Remedies. Our neighbor of the Journal also had wall room, in this build-ing for four frames filled with specimens Thursday and Friday, of last week, and was the most successful Exhibition of the kind-both as to number of exhibits and of their handiwork in job printing. number of people in attendance-over neld in this County, if not in Northern . EDUCATIONAL DEPARTMENT.

Pennsylvania. Since the purchase of the grounds on which the exhibitions are This was a central point in interest. and was crowded most of the time with eld by the Society, many improvements people anxious to see the result of the ef-forts made by the Superintendent of Schools to establish such a feature. They have been made in the arrangement thereof by the Managers. The fence enclosing the grounds has been extended north so were gratified at the exhibit, which was a as to take in a large portion of the pine credit to pupils and teachers. The great as to take in a large portion of the pine credit to pupils and teachers. In great grove that was formerly outside of the advancement of the past few years was enclosure. This is a great improvement, and one that adds not only to the space work presented. G. W. Hyan superin-within the enclosure but gives facilities tended this department, and to him a within the enclosure but gives facilities for the accommodation of the teams of

Lended this department, and to him a large share of the praise belongs for the excellent exhibit; for it is through his untiring zeal that teachers have been in-duced to prepare work. The walls of the building, 28x00, were covered with out-line and colored maps of the earth and its subdivisions work because the exhibitors and visitors, that the groun have sadly needed in the past. The Hotel building is also now within the enclosure. which does away with the unsightly structure near the northern end of the grounds, heretofore used as the "Comsubdivisions, mostly executed by pupils of less than fifteen years. Some of them

As was remarked by numer-Miles E. Reed, of Mercur, had a ous visitors, the exhibit in this one buildhet containing about three hundred speci-mens-geological and sholls; Nine speci-

nens of iron ore, ten of silver, etc., etc. Camellas, agates, topazes, quarts crys-tals, fine stones, fossils, petrifactions, a cross composed of Colorado minerals, In dian relics, etc. A stone upon the top of his cabinet was supposed to be an Indian kettle left unfinished. ed them : In the Fifty varieties of wood, natives o CENTRAL GRANGE EXHIBIT

Fifty varieties of wood, natives of Bradford County, were used in the con-struction of the cabinat. Mr. Reed has collected specimens himself in Mnuesota, Illinois, Kansas, and other places, and has a very interesting collection. We would like to mention every person who Oscar Shores exhibited very large and ine Elliott Seedling Potatoes, has aided this Department, but must leave and pass from its crowded entrance to another point of great interest.

FLORAL HALL. Here were many articles with which

we are not familiar, but guess they were nice, and owing to our desire to see more of the grange exhibit and other fine things, we did not spend time to take numbers and consult the Secretary to find out who exhibited the very fine variety in this building.

d 43 lbs. It was raised by S. H. Shores. We give a report of such as we noticed Eleven large pumpkins of different varieand so far as we can of the exhibitors ties were among the exhibits-one of these tipped the scales at 64 lbs: Of names as we learned them from parties. around us. At either side of the entranc quashes there was an endless variety were growing plants and cut flowers nice ly arranged with evergreens, ferns, an-tumn leaves, etc., and at the other end of the room a fine assortment of geraniums, ivy and other plants; among them a pitcher plant, the leaves of which are peand Jas. Towner. Miles Shores exhibitculiar, with wild flowers, evergreens, an leaf decorations covering the walls. Miss Ellictt arranged this group of flowers and decorations. They were flanked on either side by the photographic displays o Messrs. Dayton & Rockwell, and A. J Fisher, both of Towanda. Both had fine work and received premiuns. The first named had some good crayon, India ink nd pastille pictures, besides photographs ll done in their gallery. Among the othr coflections we noticed an oil painting which was very pretty, and water colored. portraits very good. A lady seventy-six years old exhibited specimens of her work n pencil drawing and water colors. Mrs. General Patton exhibited plates decorated with water color pictures executed by herself. Mrs. Means was awarded first premium on pin cushion, also a premium m oil painting. Lizzie Means, aged ten, were three varieties, of Barley one, Buckhad some very nice specimens of her work in wax flowers, and Mrs. Means, autumn leaves and fruit in wax. A beautiful vase, ivory ground, antique tyle, with decorations painted in oil, by Miss Annie Holcomb, asyoung lady of Towands, attracted much attention. She has the misfortune to be crippled, but her taste for the fine arts is not deficient. Hiram Bull received first premium for surveyors drawings, and Mrs. Manville on painted shelf lambrequins. A. Beverly Smith received a premium

n fret saw work and deconations. A rusc frame of cross sections of nuts, etc., with picture, received first premium. Miss Flora Beidleman did the work -she also exhibited many other things, as sofa-Helen Mercur presented a similar variety of lace goods; and at the time of our visit the ladies were undecided as to which should have the premium. We offered

no suggestions. Mrs. Henry M Henry\_Ki Bread, biscuit, cake, and other fine do Ferguson's Creamery, a device for set-

the granges, that were greater in variety ting milk and protecting it from outside, and number than the whole exhibits at influences, was in the dairy department, and excellent specimens of butter on exbibition. Smith, composed entirely of heads of grain, was a very beautiful thing and attracted the attention of all visitors; Of hanging Baskets, Mottocs, and wreaths, When y Vann, of Shestequin, "Prince Imperial, Jr.," a large and fine looking horse —; "Maude," a fine trotting mare owned by W. H. Conkling, Wysox;

"Charles Henry," a Canadian horse own-ed by Lee Horton, of Rome; "Col. Dougand crosses, there were a number of very handsomely designed ones, by Mrs. G. L. Fuller, Helen Gard, Olive Patterson, Mrs. H. B. Lent, Miss Belle Kilmer, Mrs. Cin-nie Smith, Pratt Smith, Mrs. T. G. Smith, lass," owned by Almon Baxter, ' of Bur lington, is a beautiful horse; "Gambetta," a very beautiful Norman Percheon stallion and several others. Then there were owned by R. S. Edminston, of Milan, is and several others. Then there were specimens of old linen, heir looms of sev-eral families, dating back to 1790 and farther. A small house, built of moss by Mr. and Mrs. Cortez Rockwell, which was admired by all. A cornicopia, from the mouth of which seemed to be flowing a never ceasing stream of the most delic-ious fruits is add there were a large and beautiful stallion owned by Messrs. Goodall, Mor-row and Dilley, of Wyalusing, was the only horse entered against "Gambet-ta," and was worthy the second premium

try worked by a lady of seventy-six years without a pattern, was well done. A pair ious fruits. And there were shawls that were knit and shawls that were wove. A clock that has pointed the hours for 180 ceived first premium ; "Lord Clyde," a of rug mittens received tirst premium and deserved it. Something less than a score of silk patchwork quilts were on exhibiyears, China ware that was purchased in beautiful eight-year-old stallion, owned London in 1600, and a small chest 300 by Willard Wood, of Smithfield, took the years old, besides numberless other artition, and very neat patterns too. One years old, besides numberless other arti-cles that lent a charm to the general dis-owned by J. A. Park, of Herrick, also re ontained 8,448 pieces; and was made by a lady of seventy-five years. Mrs. A. B. Smith, of Ulster, exhibited a quilt conceived first premium ; a two-year-old colt, owned by William Taylor, of West Warplay, and which was worth miles of travel to see. -

ren, took first premium; "David Hume," owned by D. C. DeWitt, of Towanda, first premium; "Flora" and "Lydia Wood," a pair of three-year-old bays, OSCALUWA. Whilst the Oscaluwa was considerably behind that of the Central in the display of Farm Products, in the Household de-partment it was not behind its neighbor. owned by W. F. Horton, of Terrytown

Of potatoes there were in its exhibit a very beautiful three-year-old colt, own ed by Charles Stewart, of Herrick ; a team mammoth ones of Queen of the Valley, Late Rose, Brownell Beauty, Chilies, and of horses owned by W. A. Rockwell, o 13 other varieties, 'contributed by D. O Franklin ; a beautiful yearling colt, own Hollon, Geo. Mills, John W. Lane and others. Squashes, there was a large ex-hibit, and all of large size. Of Pump-kins, Squashes, Beets, Cabbage, Onions, Melon Cities Control of the state of the sta kins, Sounshes, Beets, Cabbage, Onions, Melons, Citrons, Cucimi ers, etc., the display was excellent. Of Grain, there J. W. Nichols exhibited fine matched was three kinds of Wheat, 1 of Rye, 1 of teams, as did several others whose name Buckwheat, 2 of Oats, 16 of Corn, beside we were unable to get.

CATTLE.

 Of Comatois, Carrous, Radishey, Peppers, This was not the largeed displays on the groundok theory. "Unlike the set of the groundok theory, "Unlike the set of the set of the groundok theory, "Unlike the set of the groundok theory, "Unlike the set of the set of the groundok theory, "Unlike the set of the groundok theory, "Unlike the set of the set of the set of the set of the groundok theory, "Unlike the set of th This was one of the largest displays of exhibit. Of fruit there was a very excelthe ground and was well worth the time AsA DOUGLASS, whom everybody scemed fine exhibit. Of quilts and spreads, there o know, and be glad to see. Among the were many made by Mrs. B. Horton, without oven, and the Good Luck. In cooking stoves, there was exhibited the Graphic Range, which is a beauty,—and as it was "fired up" each day, and an extricial flow and the ground, owned by James fancy hanging baskets, wreaths, crosses, artificial flow and the ground, owned by James rance hanging baskets, wreaths, crosses, artificial flow and the ground, owned by James rance hanging baskets, wreaths, crosses, artificial flow and the ground, owned by James and the ground by James and the ground by James and the ground by James artificial flow and the ground by James and the without oven; the Waverly, with and hand, Mrs. J. B. Smith and several others. as it was "fired up" each day, and an excellent dinner cooked upon it, by a lady who is mistress of the culinary art; as etc., etc., there was an almost endless etc., etc., there was an almost endless many who partook of the dinners are variety, all of beautiful design and fine hold that may always be depended upon to do its work well and satisfactorily. D O Hollón, MissfJ. M. Ayres, Mrs. W. H. favor. (It is a very handsome article and has many late improvements, and we have no doubt is a first-class article. The Delmonico Raoge was also in the ex-hibit and attracted much attention. Then there were the cooking stoves Prize Acorn, Ever Ready, and Forest Acorn, all for wood, and the Gradesso, a coal stove, with clevated oven, and a number of other coal burners. The display of -tin and copper ware, the handiwork of Messrs. Doublass and RoiLAY, was very fine, admired by all and praised by every-twork admired by all and praised by every-twork to were the cooper work was the best we to constructed from splints, by Mrs. Messrs. people of our thriving sister village, as an

place about the 20th of October, having eased the house now occupied by Mrs.

ANSYCKLE, on Center street,-Canton Sentinel, -At the donation to Rev. J. W. BAR-NETT, last Friday evening, at East Troy, his wife was presented with a fine cash-mere dress. The donation besides was

a large one that reflects credit on the place. The amount was used to apply on his salary which is considerably in ar-

rears.-Troy Gazette.
