The Republican meeting at Rome of Friday evening, was one of the largest. political gatherings ever witnessed in Eastern Bradford. The torchlight parade was a very fine one, and the music, furnished by the Herrickville and Wysox bands, excellent. Short speeches were made by I. McPherson, E. L. Hillis, C. H. ALLEN, Capt. C. M. MANVILLE and Capt. J. A. Wilt. It was estimated that there-were fifteen hundred people present.

ANDREWS BAZAR FOR NOVEMBER .-This sterling journal has always a hearty | WALT WHITMAN; an exquisite engraving welcome in this office. This month, as of a Russian nun (which will recall foralways, it is filled with the freshest and LARGE quantities of Amber Cane Syrup best fashion news of the day. While the masculine element is just now laboring under the excilement attending the Presidential struggle, the ladies are always on the qui vire to know the latest freaks of Dame Fashion, and Andrews' Buzur' is the best exponent we know of upon this subject. In a liandsome supplement sheet the proprietor makes some remarkable offers to his subscribers, both new and old. Those of our readers unacquainted brated their first anniversary with public with Andrews' Bazas, should send ten cents for the November number.

Says the Troy correspondent of the Elmira Adrertiser of a recent date: Lewis M. HALL and Hen. E. OVERTON, of Towanda, made two stalwart Republican speeches at the Opera House on Monday evening. Mr. HALL is one of the best speakers we have around here. He held his audience for an hour and a quarter on the issues of the campaign. Mr. Ovenpurpose. No cheaper fertilizer can be rox followed, giving Congressional statisties, and urging many reasons why the laborer should not vote for a "tariff for revenue only." The meeting lasted until quite late in the evening. After the meet ing, three rousing cheers were given for GARFIELD and ARTHUR. Professor J. T. McCollon was chairman of the meeting

THE story has been going the rounds of the press that a little girl, a scholar in the Canton Graded School, recently attempted to poison her teacher by giving her an apple in which she had placed Paris Green. The Sentinel of last week thus disposes of the story: "The story of a school girl's attempting to poison her teacher proves to be without foundationand we are glad to make the statement that such is the case. From the girl's having a green pepper on her desk the story went around aided by the ready imagination of the little folks, that some of the that place, have expressed their intention pepper had been conveyed into an apple and then the story magnified and grew until it reached the proportions above
