### E. O. GOODRICH, EDITOR. Towanda, Pa., Nov. 11, 1880.

GEN. GRANT has rented the reside on Fifty-accord street, New York, and will hereafter make his home there.

THE official vote of this State, with the exception of Greene and Sullivan Connties. shows 35, 637 majority for GARFIELD. We will publish the table when complete.

CALIFOREIA probably gives a small me jority for HANCOCK, though Judge TERny, one of the Democratic electors is defeated. The Legislature is Republican.

THE National Republican Committe vates his anger is the fact that the issues a stirring address, and Hon. JOHN CESSNA closes his labors as the Chairman of the State Committee by sending out words of congratulation to the victors.

MR. JADWIN has a majority of 525 Wayne County, which gives HANCOCE . majority of 299. This is an endorsement of which he may well be proud, as being the testimony of neighbors to his integrity and efficiency.

THE Presidential Electors will meet a their several State capitals and cast their not wonderful that they swear as votes for President and Vice-President on did the army in Flanders. Curses the first Wednesday in December. Congress is directed by law to open and count both loud and deep are heaped on these votes on the second Wednesday in his devoted head, and he is consign-February, and to declare the result. ed to the regions which INGERSOLL

says do not exist. IT is said that Chairman BARNUM does Another class of Democratic newsnot approve of the scheme to throw out New York and elect HANCOCK. The adpapers attribute the defeat to the visory committee was summoned to mee stupidity of BABNUM, and the low on Tuesday last, but only three of the and dirty tactics to which he resortmembers responded, and no meeting was held. The fraud cry has answered its purallusions to his management are by pose and will be heard of no more.

from its human ballast, shot up with much to the consternation of the in-

ed from sight. Late in the evening it burst and fell at Menilmontant,

refused to participate in the trickery of their leaders, but showed their independence by voting to endorse and sustain an uphight and able Judge.

"Lilled with kindness." He is literally politicians, where they played fantasoverrun by visitors. They come in clouds tic tricks. The consequences that his the locusts. devour his provender. tumple down his fields and destroy his a funces. He is not so well situated to re-141 the intruders as Gen. HANCOCK would have been on Governor's Island, so the Cleveland Herald comes to his relief and alls a halt on the tramps.

the new Congress." NOTWITUSTANDING the election of GAR FILLD by such a decided majority of the dectoral vote, with a preponderance of the popular vote as cast in favor of the Republican party, the startling fact stares us in the face that a change of some few thousand votes in New York City would have altered the result, and made HAN-Gick President. This danger was made pessible by a Solid South, solidified by t' e virtual disfranchisement of half a milhon or more of legal voters, who could not, or dare not, vote as they desired. Happily having escaped thus narrowly this result, it is not likely again to be imminent. When another Presidential election'occursievery voter will have an op- Vice-President of the United States. portunity to deposit a free ballot, and At the election held on Tuesday the have it counted as cast.

MORE Corrupt Practices ! Here's thance for investigation ! D. W. Con-POLLY, the defeated candidate for Conof the District Attorneyship of the United States Court at Pittsburg, to withdraw from the contest in his favor. Failing to do this. CONNOLLY states that WRIGHT, in his desperation, perfected arrangements to buy up the Congressionat Committee and have them destroy Con-NOLLY'S tickets the night before the election, and substitute WRIGHT's tickets in their stead at the polls. Here is a good field for inquiry if the Democracy desires to investigate corrupt election practices.

AFTER a Presidential election follows the speculations of the newspapers as to the causes which have he could hardly find words adequate to the occasion. Per contra the Solid North.
