rithoat opposition. GEN. GARFIELD has sent to the Gov ernor of Ohio his resignation as a m m-Poon, unhappy Ireland accms destine ber of Congress from the Nineteenth disto ceaseless agitation and turbulence trict. An election will be held November | The State has prosecuted Mr. PARKELL and others, and their trial is now going 30th, to fill the vacancy. on before the King's Bench, at Dublin,

At Laugh Musk the agent of Lord ERNE. THE newspapers are giving notice that the earth is about to cross the track of was notified that he would not be allowed the November meteors, and it is the time to gather his crops, and the local pessantto see shooting stars. The Democratic ry at the instigation of the Land League party has already seen stars enough to refused to work for hin, and no man in satisfy the average Democrat.

It is no small job to make a Cabinet. Gen. GARFIELD is having several made for him. The trouble is there are so many ready-made that the difficulty will be to select the proper one. We guess, there was imminent danger of a collision however that the President-elect, in the with the troops. A crisis has come, when it is probable that the strong arm of the end will have something to say, as to who shall be his constitutional advisers. violators of law and order.

THE South does not appear to be Solid, after all.. The Congressional returns show that the Republican party is still active in some sections. The electoral vote is Solid, but that was probably brought about by the desire and expectation of gaining control of the General Government. The indications all point to a live Federal office by the oldest ex-President and successful Republican party in the South, in the future.

GENERAL GABFIELD remarked on Wednesday that the Democrats, by continuing that the President, who has a salary of to push forward the fraud cry in New \$50,000 a year, who is furnished his gar-York, were daily extending benefit to the iden sass and boquets by the government, Republican cause and damaging themscives. It is also the General's opinion rail-roads, should not be obliged to "go fuged Morey letter being a brilliant in- some of our millionaires disposing of publication. stance.

THE venerable LUCRETIA MOTT died at her residence, near Philadelphia, Thursday evening, at the ripe old age of eighty eight years. Few women were better or more favorably known throughout the country than the aged philanthropist, who was such a fitting mate to the Quaker JAMES-MOTT. One of her daughters is married to EDWARD M. DAVIS, known in this county from his connection withthe Barelay Coal Company,
