they carried out Mrs. Roupel's plan that occasion; the more so, that at one to advise with me, and felt much could desire, and he believed I could morning, my house-maid asked to window had certainly not been open-

their work Do you understand?" My first impulse was to leave the matter over with the joiner, as joiner at once descended, taking the amination of the box, it was found tor of Police, who had been on an ing thither, found that Mr. Burrows said than done," he answered. "She has some claim upon the family. But I did not know what to do. To he or she had effected an entrance, the answered of the properties of the done in the long of the mental and the properties of the mental and the mental and the mental and the properties of the mental and the properties of the mental and the mental and the properties of the mental and the properties of the mental and the menta

as to whether she seemed much affected by her son's iliness. I answered his several questions to the best of my ability; and he, after thinking awhile, pacing up and down the

room, turned to me and said: "Let everything be carried out as you formerly sproposed. See that your family retire to rest at their usual time, and with as little appearance as possible of anything unusual going on. If the woman has taken larm, nothing will-be lost by waiting till to-morrow, when her rooms can be more carefully examined by daylight. In the first place, will you show me the bed-room in which you were disturbed last night?"

I conducted him thither, the joiner following; and after he had ascertained where, to use his own expression, I had first seen the "party, and where and how the party had to my room as usual, seat myself in a large wardrobe, in which, after the blacksmith and the gardener being set as a guard upon the door of the housekeeper's room below. The village constable, he had arranged. would keep watch on the outside of the house, but so as not to be readi-

ly discovered. The duties of the household, in the absence of my servants, fell somewhat heavily on the ayah and myself, and the time passed quickly for me as I bustled about, seeing the ayah also retired. During all this time, everything had been carried on in our customary way. Mr. Burrows very good keeper of secrets; hence and the rest of his helpers betook him under surveillance till the even- the mingled sounds of laughter and Burrows and the joiner were, I knew, children, as I could not help feeling in the wardrobe at the other end of alarmed in the house by myself, my bedroom; and I was seated in my lounging-chair, as on the previ-

As I sat in this position thinking, l could not help observing to myself how near we were all making ourselves ridiculous. The old woman the house; no one else but the ordi-nary members of the household and the watchers could possibly be in; Unlike her usual practice, Mrs. and here was I, sitting at my bedwith my two men concealed in the wardrobe, all hoping to eatch-we did not know what. The humor of ed during the past twenty-four hours, gradually sobered my feelings, and I

> lent struggle, in which all three rolled on the door, as if locked together ure had managed to wrench one arm noise of the struggle that was going on had brought the blacksmith and Andrew up to my apartment, and with their help the white figure was inga few seconds manacled and led forward to the light, his white garment-an old surplice-hanging in tatters about him. He was at once ny-it was the steward! He turned his back on me with a stifled oath. his hands fast behind his back, in

footsteps in my bed-room, and, rush-

er's room below, the door of which was found to be locked. It was at
