ry of State in General GARFIELD's Cabi-

in the person of BENJAMIN HARRISON

while THOMAS C. PLATT Will do no discredit to the great State of New York. THE people of Ohio called for Joun SHERMAN for United States Senator, and he was nominated by acclamation; the people of Connecticut asked for General Hawley, and he was chosen without opposition. In Pennsylvania there was

an equally well-defined public opinion

favoring Mr. GROW.

LIEUTENANT GOVERNOR STONE WILL i sue his warrant in time for a successo to Senator ECKLEY B. Coxe, to be elected at the spring election. It was at first proposed to declare Senator Coxe's seat vacant by resolution, but that was covered to take the oath of office vacates the seat.

It is announced that General GRANT has accepted the position of President o the Committee on Permanent Organization of the International Exhibition which is to be held in New York, or rathin consideration of his having been elected to the place by a unanimous vote. The projectors of the proposed World's Fair are to be congratulated upon the circum-

THE Republicans of Maine have acted honestly in counting the votes for Governor and declaring PLAISTED elected. They could have made a different result by merck following the example of the Fusionists in 1879, but they refused to avail themselves of technicalities, and gave PLAISTED all the votes which were intended for him. He will be inaugurated, and the Republicans of Maine have the consciousness of having been honest,

THE experiment of appointing a Demo cratic United States Marshal in the South has not in the case of FITZIMMONS of clined to co-operate with the Internal Revenue officers in their attempts at suppressing the illicit whisky business, which mourishes to such a remarkable extent in tege of ex-Senator Gordon.

THE House of Representatives at Wash ington was the theatre of a disgraceful in which was Hon. Mr.-Hooker, of Misheld it for hours, despite the efforts of members to stop the disgusting exhibition. When not drunk he is said to be a gentleself-respect to squelch such disgraceful number of Republican voters).

A CORRESPONDENT of the West Chester Republican advocates the claims of able to grasp intricacies with clear-sighteduces and judgment. We fear that but that it will be a Western man.

THE House has made considerable progress in perfecting a refunding bill. The main features are the issuing of new bonds to the amount of \$500,000,000, shall be redeemable in twenty and payable in of \$200,000,000 payable at the pleasure of the Government. These are to be exchanged for the \$700,000,000 five and six per cents, due the present year. No other 44 per cents, mature in 1891.

the successor of Hon. Francis Kernan as Schator from New York, is well and favorably known to many of our citizens. Clerk of Tioga for three years, and served two terms in Congress; from December 1873 to March 1877. He has always been a stalwart Republicau, and though a quiet, unassuming gentleman, has the reputation of being a shrewd, sagacious, active politician. He will be a worthy themselves. and acceptable colleague with Senator CONKLING.

THE Philadelphia Ledger makes a fair hit at the character of the members of the pose that the masses care a farthing on the candidate for U.S. Senator as they may be studied with profit by such are on the pasters and folders, a Senator might be made from Philadelphia. It seems manifest that to the average representative at Harrisburg it is of more importance to win a paster-and-foldership and hait and play all things to all men to secure some paltry position, when the question of the magnitude of the election determined by them.

THE House Committee on Military Affairs. Thursday, by a vote of six to three, decided to report adversely on Mr. Mc-Cook's bill authorizing the President to spirit by which this action seems to have

THE following is a summary of the law the people refuse to rally, that is

the third Tuesday of January at 8 o'clock P. M., if the Legislature shall have organized before the second Tuesday." On the day following at 12 o'clock M. the two either house shall have failed to take proceedings as required by law, the joint assembly shall then proceed to choose, by rira roce vote of each member present. person for the purpose aforesaid, and the person having a majority of all the ity of all the members elected to both houses being present and voting) shall be declared duly elected; and in case of no election on the first day the joint assembly shall meet at 12 o'clock M. of each succceding day during the session of the Legislature and take at least one vote until a Senator shall be elected.

THE INEVITABLE END. We believe in political parties as ar organized force, and that without on ganization a political party cannot power. It may be done once with declaration: comparative impunity. It has never been done twice without creating political distempers beyond the power of quacks to remedy. And when the patience of the people has been exhausted by such arbitrary acts there follows in upheaval which buries the authors of those acts out of sight.

The Republican party in this State has now been forced to the limit of its patience. It would be folly to ignore the situation or to deceive ourselves as to the inevitable consequences of the arbitrary course of Republican leaders touching the Georgia proved very successful. He de- Senatorial contest. No intelligent man denies that Republicans of the State had indicated their preference for Mr Grow as against any other the South Atlantic States, and is now in | man for that high trust. PHILADELPHIA LETTER. PHILADELPHIA, January 17, 1881. The Board of Directors and the Managers of the Permanent Exhibition bave striven nobly to make it a success, but without avail. The International Exhibipublic curiosity, and that the show was continued in the Main building, has quietly passed out of the public mind. There was much contained in the building worth that it was a huge and expensive elephant

barely paid expenses. Now, extensive and expressive repairs are needed. The occasional straggler, whose memories of the Centennial induce him to pay the building a visit. Naturally enough, the Directors have concluded that it is impossible to overcome all the difficulties in the way, and have concluded to close the building, remove the exhibits, and sell the property. It seems a great pity that the building cannot be kept permanently. -but it is so far from the business centre. so huge in its proportions—so costly to

keep in repair, that it is impossible to find the ways and means for its preservation and maintenance. The Republican Conventious nor Mayor Stokley for re-election; Wm. Nelson West for City Solicitor, and George G. Pierie for Receiver of Taxes. The nominations were made with great unanimity, the friends of Mt. Keim, who competed for the Mayoralty, declining to go into the Conventions. Mayor Stokley had already been recommended by the Citizen's Committee of One Hundred, but it is understood that his letter of acceptance were circulating that the Grow men were is not satisfactory to the Committee, and there is a probability that they will withdraw their endorsement, and substitute zen. Mr. Caven, who was named by the Citizen's Committee for City Solicitor, declines the honor, because he does not believe there can be any Reform within the party lines, and that it can only be brought about by the joint efforts of Republicans and Democrats acting as citizens and not as partizans. What the outcome of the present complications will be, it is difficult to accurately forecast. The Republicans have made a strong ticket of had convened to hear announced the votes unexceptionable men, but the same independent elements that gave Pattison (Democrat) a majority of 14,000 in the heat of a Presidential contest, when the the ring, etc., while the Oliver men incity gave 20,000 Republican majority, are dulged in very uncomplimentary remarks anxiously striving to strike a blow for Re- about the Grow kickers, bolters, etc. form, and honest municipal government, and it is hard to tell where the blow may

THE INDEPENDENT. The foremost religious newspaper of the United

THE INDEPENDENT seeks the patronage of the public on three grounds, as follows:

1st. It is the largest weekly religious newspaper
published in the world.

2d. It employs ascontributors more able writers,
at home and abroad, than any other weekly news-3d. It gives its readers a wider range of topics nd more and fuller departments than they can nd elswhere in any journal.

find elswhere in any Journal.

The Independent Contains 32 pages, neatly cut and pasted. It is printed from clear typo two storotypo the pages weekly, and, hence, every issue is really printed with new type) and on good paper, and mechanically it is unexcelled.

There is no question of prominence in religion, politics, science, education, finance, or any other department of human knawledge which The Independent dees not discuss. It has rigular departments devoted to Biblied Researches, Missions, Religious intelligence, Book Reviews and Literary News, the Sunday School, Education, Science, Sanitary questions, Fine Arts, the movements of ministers, Personalities, News of the Week, Financial and Commercial matters, including Weekly Prices Current, Market Reports, Cattle Market, Drygoods Quotations, Flowers and Farming, and Jusurance. In its religious department it gives news and statistics of all denominations of Christians, everywhere. In fullness, accuracy, and comprehensiveness this department is unequalled. Several pages of stories and promis, adapted to Old and Young, are given every week, with a column of puzzles.
