**Resolved, By the School Directors of Bradford County in Genvention assembled, that we heartily endirest the administration of Prof. W. Ryan, superintendent of schools for the pest three years. His indefatigable, efficient tabors in elevating the standard of education, advancing the interests in the junities rethool system and fitting teachers for their ligh calling, challenge our admiration and demand our encouragement; his unanimous election for a second term is only a fitting tribute to his zeal and success in the past. As effectors, we pledge him our united support in the future, and bespeak for him the encouragement and sympathy of all who have any interest in the cause of popular education and the welfare of our youths. Resolved, By the School Directors of Bradfor Mr. Ryan being called for, came for few minutes, thanking-the directors for

Our commissioners took the town poor to the county house last Thursday. Therewas only one person on this town for support, and we think there are few towns hat can show as good a record as that. The sociable which was held at the residence of Dr. Mills last Thursday evening was a success in every particular. The "art gallery" was "just splendid" and the recitations, readings and music were all well rendered, showing conclusively that we hope will have an opportunity to show to the public its strength and in-duence, thereby gaining for itself due appreciation. The efforts of Mrs. C. F. dyton and- Miss Emma Mills to make every one present enjoy themselves, were we should judge crowned with success: for certainly a happier company could carcely be found.
