Up to either country shall be forwarded to des ination charged with the deficient post

age, to be collected and returned by the munt you which delivery is made. The seemd article provides that when news papers, periodicals, and other printed natters are brought into Canada and ested there for the United States to evade ur postage rates or regulations. the Canada post-office may require prepsyment to be made at rate equivalent to able the Canadian domestice rates.

Tur. last week's Honesdale Citizer fter the following fashion, disposes of be sensational stories in regard to the inding of oil in Wayne county: "Ourex-Sanges are filled with gorgeous descriptions of the discovery of oil by the Wayne County. Development. Company; After great excitement that prevails here; the apid advancement in the price of real state, and other ridiculous and absurd rash. The facts are, that leases of proprry are being perfected; that no borings or oil have ever been attempted in the county: there is no excitement or specut. The whole thing is an experiment, dents of our borough, and in fact, of the

## THE PRESIDENT AND THE

The President has done the right Mr. Conkling as he did in his withdrawal of all the New York nominations save the only one to which the Senator objected. There were five were known friends of Mr. Conkling. But if the President has done right in withdrawing the names of Mr. with the Department as a contractor for Conkling's friends, did he do right in nominating them at all? That question is undergoing some discussion at this time. We assume that the President did right in both instances. He was known to be opsubjects, many of them of a very fine in- chief of his party to make an effort tee-to prescribe and announce rules on cannot be doubted.
