Republican State Ticket.

FOR STATE TREASURER,

GENERAL SILAS M. BAILY, "A man who from his youth up, has fought the battles of Republicanism in a region where no hope of success could add vigor and zeal to the contest, and with no reward save the consciousness of having served the cause he loved. A man who has attested his love of liberty and law, by service on the field of glory and of blood, who won his promotion in the glorious Pennsylvania Reserves, from Captain to Brigadier, by meritorious service on the field. A man who stood in the red hell of battle at Drainsville, on the Peninsula, at Gaines' Mill, South Mountain, Antietam, Fredericksburg and the Wilderness, and who bore witness with his blood that he loved his country well. He bears upon his person the rough scars left by the cruel cannon balls, and will carry to his grave the evidence of his patriotism and courage. He is able and worthy to lead Republicans to Victory as he led his regi-ment to war. (Speech of Attorney General Palmer, in Republican State
